(Bunche Elementary School)**

**THIS LEASE AGREEMENT ("Lease")** is effective as of the last date written on the signature page of this Lease, July 1, 2011 (the **"Effective Date"**), and is entered into by and between the **BOARD OF EDUCATION OF THE CITY OF CHICAGO**, a body politic and corporate (**"Landlord"**) and **PROVIDENCE-ENGLEWOOD CHARTER SCHOOL**, an Illinois not for profit corporation (**"Tenant"**).

**RECITALS:**

- A. Landlord owns or controls the Bunche Elementary School located at 6515 South Ashland Avenue, Chicago, Illinois (the **"School"**).
- B. Landlord desires to lease the land and the entire School building (the **"Premises"**) to Tenant and Tenant desires to so rent the Premises from Landlord for use as a charter school campus and related educational and community programs, and for no other purpose (the **"Use"**).
- C. Landlord and the Chicago Park District (**"CPD"**) have entered into various joint use and/or license agreements for open space (**"Parks"**) owned by CPD and jointly used with Landlord. If the School is located adjacent to such a Park, and pursuant to a joint use or license agreement, Landlord is required to operate and maintain the Park, Tenant shall be responsible, at its sole cost and expense, to undertake all obligations of the Landlord related to operating and maintain the Park, in accordance with the terms of the relevant joint use or license agreement.

**NOW THEREFORE**, in consideration of the foregoing Recitals, which are incorporated herein as though set forth in full and for other good and valuable consideration in hand paid, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

- 1. **CHARTER SCHOOL AGREEMENT.** Landlord and Tenant entered into that certain Charter School Agreement pursuant to which Tenant was granted a charter for the purpose of operating a charter campus (**"Charter School Agreement"**). The Charter School Agreement is, by this reference, incorporated in this Lease and made a part hereof as if stated in its entirety.
- 2. **GRANT/TERM.** Landlord hereby leases the Premises to Tenant, upon the terms and conditions hereinafter set forth, for a term commencing on the Effective Date and ending on June 30, 2014 (the **"Term"**). Notwithstanding the foregoing, if the charter under Tenant's Charter School Agreement is terminated or not renewed for any reason, or if Tenant otherwise ceases to operate the Premises for the Use, this Lease shall terminate on: (i) the date said charter is terminated, or not renewed; or (ii) the date Tenant ceases to operate in accordance with the terms of this Lease.
- 3. **RENT.** In consideration of the leasing of the Premises as set forth above, Tenant covenants and agrees to pay to Landlord, as rent for the Premises, the sum of One Dollar (\$1.00) per year.

4. **OPERATING EXPENSES AND SERVICES AND ALLOCATION OF RESPONSIBILITY.** "Operating Expenses" means all expenses, costs and disbursements of every kind or character incurred in the management, operation and maintenance of the School (except for the "Capital Expenses", as hereinafter defined, which shall be the sole responsibility of Landlord). Unless otherwise specifically provided in this Lease, Tenant shall be responsible for all Operating Expenses. "Operating Services" are the services obtained from Landlord, or a third party, for all or a portion of the required Operating Services as set forth in the Facility Services Request Form (a copy of which is attached hereto as Exhibit A and, by this reference, made a part hereof). For example, Operating Services may include, but shall not be limited to the following: life safety system inspections and certifications, food services (Note: If the Board provides food services, the Board shall have the right, in its sole and exclusive discretion, to provide either warming kitchen facilities or full kitchen facilities to the Tenant), security, custodial/janitorial, engineer, building operations & maintenance, grounds keeping, utilities, and information technology.

Tenant shall, at its sole cost and expense, pay Operating Expenses based on its selection of a provider and the type of occupancy Tenant holds under this Lease:

**A. Sole Occupancy.**

(i) In the event Tenant is the sole occupant of the Premises, Tenant shall have the following options: (a) to directly procure some or all Operating Services from third parties, other than Landlord; or (b) to elect to procure some or all of its Operating Services from Landlord at Landlord's then current rates and in accordance with Landlord's procedures.

(ii) A list of Operating Services provided by Landlord, and the costs of such Operating Services, shall be provided to Tenant prior to execution of this Lease. If Tenant desires to procure any such Operating Services from Landlord, Tenant shall make such election on the Facility Services Request form provided by Landlord. Landlord shall deduct the cost of such Operating Services from Tenant's general education quarterly payments under the Charter School Agreement. Annually or whenever the cost of Operating Services changes, Landlord shall provide Tenant with an updated list of Operating Services and the costs of such Operating Services, and such updated costs shall be due and payable with the next deduction of Operating Services.

(iii) Tenant shall be bound by such election until the first to occur of: (a) the date upon which Landlord changes or adds Operating Services; (b) the date upon which Landlord announces a change in the manner on which it calculates Operating Services; or (c) the date of renewal or extension of this Lease.

**B. Shared Occupancy with a Chicago Public School or contract school.** In the event Tenant shares the Premises, at any time during the Term or any renewed or extended term, with a Chicago Public School or a contract school, Tenant's sole option (while sharing the Premises) shall be to procure all of its Operating Services from Landlord. Tenant shall pay for such Operating Services at Landlord's then current rates and in accordance with Landlord's procedures. Annually or whenever the cost of Operating Services changes, Landlord shall provide Tenant with an updated list of Operating Services and the costs of such Operating Services, and such updated costs shall be due and payable with the next deduction of Operating Services.

- C. **Shared Occupancy with an additional charter school.** In the event Tenant shares the Premises, at any time during the Term or any renewed or extended term, with an additional charter school(s), both or all such schools sharing the Premises must, collectively, select one option (as set forth in section 4A(i) above) regarding the procurement of any Operating Services. Such election shall be made in accordance with section 4A above. Tenant shall be bound by such election for the entire Term. In the event this Lease is extended or renewed beyond the Term, Tenant shall have the option to choose its Operating Services provider(s), in accordance with this Section 4 in the means provided in this Section (as set forth in this Section) prior to the date of any renewal or extension term.

In the event Tenant shall change its election from Landlord providing any of the Operating Services to a third party providing any Operating Services upon renewal or extension of this Lease, Tenant shall, at the request of Landlord, and at Tenant's sole cost and expense, return to Landlord any and all supplies and equipment provided by Landlord for the purpose of providing the changed Operating Service(s).

Tenant agrees that, if it opts to procure any Operating Services from a third party, Landlord requires adherence to all facility and maintenance standards set by Landlord. Landlord shall provide to Tenant, in writing, Landlord's standards (the "Standards"). Tenant must get written approval from Landlord prior to hiring third party engineering and custodial firms. Tenant must ensure that any third party engineering and custodial firms it hires have proper licensing and staffing. Landlord, in its sole discretion, reserves the right to reject or disapprove hiring of any third party engineering and custodial services firms by Tenant. Landlord shall, at Tenant's sole cost, periodically inspect the Premises; provided, however, in the event Tenant holds the type of tenancy set forth in section 4C above, the cost of such inspections shall be shared equally by all occupants of the building. Landlord shall deduct the cost of such inspections from Tenant's general education quarterly payments under the Charter School Agreement.

If Landlord determines that the Standards have not been met by Tenant, Landlord shall have the right to send a notice declaring such failure to maintain the Standards as a default hereunder. Within ten (10) days of such notice, Landlord may begin providing such Operating Service at Tenant's cost and expense, as set forth above.

Landlord shall not be liable to Tenant for damages or otherwise if water, gas, electric, or sewer service is interrupted or terminated because of necessary repairs, installations, improvements, or any cause beyond the control of Landlord. Landlord agrees, except in the case of emergencies or a cause that is not within Landlord's control, to give Tenant thirty (30) days advance written notice prior to such interruption or termination.

Landlord shall be responsible for making all necessary capital repairs, capital replacements, and capital improvements to the Premises and the School (herein referred to as "**Capital Expenses**", and all as defined under generally accepted accounting principles consistently applied), unless such expenditure is required because of damage caused by any act, omission or negligence of Tenant or its employees, agents, invitees, licensees or contractors. Landlord shall not be required to commence any such capital work that is not in accordance with Landlord's approved annual Capital Improvement Plan. The provisions of this paragraph shall not apply in the case of damage or destruction by fire or other casualty or a taking under the power of eminent domain, in which events the obligations of Landlord shall be controlled by Section 14.

5. **DIFFERENT SCHOOL HOURS/CALENDARS.** Notwithstanding anything contained in this Lease to the contrary, the parties agree, if Tenant's school year or school hours for any year during the Term, do not coincide with Landlord's regular school year and hours, all additional costs incurred by Landlord for opening, or keeping open, the School during any such hour(s) or days that the School would be closed based on Landlord's calendar for that regular school year shall be deducted from Tenant's general education quarterly payments under the Charter School Agreement. Such costs shall include, but not be limited to, Landlord's cost of additional expenses for engineers, janitors, and security staff.

6. **DELIVERY OF PREMISES.** Landlord shall deliver to Tenant possession of the Premises on the commencement date in an "AS-IS" and "WHERE-IS" condition, Landlord making no representations or warranties of any nature whatsoever as to the condition of the Premises or the School. Tenant's taking possession of the Premises shall be deemed to be Tenant's acceptance of the Premises in the order and condition as then exists. No promise of Landlord to alter, remodel, decorate, clean or improve the Premises, or any portion thereof, and no representation respecting the condition of the Premises, or any portion thereof, have been made by Landlord to Tenant.

Notwithstanding the foregoing, the parties acknowledge and agree that Tenant shall not be given possession of the Premises prior to final execution of this Lease by both parties. Further, the parties acknowledge and agree that pursuant to the terms of the Charter School Agreement, if Tenant obtains possession of the Premises prior to the date of final execution of this Lease; Landlord shall provide notice to Tenant stating Tenant's failure to execute this Lease prior to obtaining such possession. Such notice shall allow Landlord to withhold Tenant's general education quarterly payments under the Charter School Agreement, until such time as this Lease has been fully executed by both parties.

7. **PROJECT LABOR AGREEMENT.** Landlord has entered into a project labor agreement with various trades regarding construction projects awarded by Landlord (a copy of which is attached hereto as Exhibit B, together with a list of signatory unions, and by this reference, incorporated herein) (the "Project Labor Agreement"). Tenant acknowledges familiarity with the requirements of the Project Labor Agreement, its applicability to any alteration, remodeling or other construction that may be done on the Premises, and further agrees to comply with the Project Labor Agreement in all respects.

8. **TENANT'S COVENANTS.** Tenant shall be bound by the covenants contained in this Section 8 at all times during the Term and any extension or renewal of the Term.

A. **Use and Obligations.** Tenant shall use the Premises only for the Use.

B. **Obtain and Comply with Permits.** Tenant shall apply for, secure, maintain and comply with all licenses or permits which may be required for the conduct by Tenant of the business herein permitted to be conducted in the Premises and to pay, if and when due, all license and permit fees and charges of a similar nature in connection therewith.

C. **Performance of Work.** Tenant shall perform all work in the Premises and School in a good and workmanlike manner, employing materials of good quality and in compliance with all governmental requirements. All work performed by Tenant within the Premises and School shall be accomplished only by qualified contractors and, if the work is in excess of Ten Thousand and 00/100 Dollars (\$10,000.00), pursuant to contracts, plans and specifications approved in writing, by Landlord. Tenant shall comply with the terms of the Project Labor Agreement. Tenant shall not commence any such work until Tenant has received written approval of its plans and

F. Assignment, Subletting and Use by Third Parties. Tenant shall not, without Landlord's prior written consent which, in each instance, may be withheld at the sole discretion of Landlord: (i) assign, transfer, hypothecate, mortgage, encumber, or convey this Lease or any interest under it, or subject or permit any lien or charge to exist upon this Lease or any interest under it; (ii) allow any transfer of, or any lien upon, Tenant's interest in this Lease by operation of law or otherwise; or (iii) sublet the Premises in whole or in part.

G. Liens or Encumbrances. From and after the Effective Date, Tenant shall not cause or permit any lien or encumbrance, whether created by act of Tenant, operation of law or otherwise, to attach to or be placed upon the Landlord's title or interest in the Premises. All liens and encumbrances created by Tenant shall attach to Tenant's interest only. In case of any such lien attaching, Tenant shall immediately pay and remove such lien or furnish security or indemnify Landlord in a manner satisfactory to Landlord, in its sole discretion, to protect Landlord against any defense or expense arising from such lien. Except during any period in which Tenant appeals any judgment or obtains a rehearing of any such lien, or in the event judgment is stayed, Tenant shall immediately pay any judgment rendered against Tenant, with all proper costs and charges, and shall have the lien released and any judgment satisfied. If Tenant fails to pay and remove any lien or contest such lien in accordance herewith, Landlord, at its election, may pay and satisfy same, and such sums shall be deducted from Tenant's general education quarterly payments under the Charter School Agreement.

H. Signs. Tenant shall not affix, maintain or locate any signs, advertising placards, names, insignia, trademarks, descriptive material or any other such like item or items on the Premises or School except such as shall have first been approved by Landlord, in writing.

I. Notice of Accidents. Tenant shall give Landlord prompt written notice of any accident, casualty, damage or other similar occurrence in or to the Premises of which Tenant has knowledge.

J. Hazardous Materials. Tenant shall not, except for materials that are customarily used in school science laboratories, use, handle, generate, treat, store or dispose of, or permit the use, handling, generation, treatment, storage or disposal of any Hazardous Materials (hereinafter defined) in, on, under, around or above the Premises now or at any future time and will indemnify, defend and save Landlord harmless from and against any and all actions, proceedings, claims, costs, expenses and losses of any kind, including, but not limited to, those arising from injury to any person, including death, damage to or loss of use or value of real or personal property, and costs of investigation and cleanup or other environmental remedial work, which may arise in connection with the existence of Hazardous Materials in the Premises during the term hereof. ## CHICAGO BOARD OF EDUCATION MULTI-PROJECT LABOR AGREEMENT

This Multi-Project Labor Agreement ("Agreement") is entered into by and between the Board of Education for the City of Chicago ("Board" or "Trustees"), an Illinois governmental entity, and each of the undersigned labor organizations signatory hereto.

Because of the scope, cost and duration of, and important public purpose to be served by the construction and/or modernization of schools and school-related facilities by or related to the Chicago Public Schools ("CPS"), the parties to this Agreement have determined that it is in the public interest to have certain projects completed in the most timely, productive, economical and orderly manner possible and without labor disputes or disruptions of any kind that might interfere with or delay the projects.

The parties have determined that it is desirable to eliminate the potential for friction and disruption of these projects by using their best efforts and ensuring that all work is performed by the trade unions that are signatory hereto and which have traditionally performed and have trade and geographic jurisdiction over such work. Experience has proven the value of such cooperation and that such mutual undertakings should be maintained and, if possible, strengthened and that the ultimate beneficiaries remain the taxpayers, schoolchildren and public.

To further these goals and to maintain a spirit of harmony, labor-management cooperation and stability, the parties agree as follows:

1. During the term of this Agreement, the Board shall not contract or subcontract, nor permit any other person, firm, company or entity to contract or subcontract, any construction, demolition, rehab or renovation of any Board property, at any of its sites or locations where work in furtherance of the projects is being undertaken, either by the Board, or its contractor or construction manager, as owner, coordinator, manager, contractor and/or purchaser relating to construction work covered by this Agreement or within the trade jurisdiction of the signatory unions, to be done at the site of construction, alteration, painting or repair of a building, structure or other work at the site or location covered by this Agreement and/or owned, leased, or in any manner controlled by the Board, unless such work is performed only by a person, firm or company signatory or willing to become signatory to an existing collective bargaining agreement with the union or with the appropriate trade/craft union or subordinate body of the Chicago & Cook County Building & Construction Trades Council or the AFL-CIO Building & Construction Trades Department. Copies of all such current collective bargaining agreements constitute Appendix "A" of this Agreement, attached hereto and made an integral part hereof and as may be modified from time to time during the term of this Agreement. Said provisions of this Agreement shall be included in all requests for bids and shall apply to all projects in

excess of \$10,000.00; provided however, that said project contracts shall not be "split" so as to avoid the applicability of this Agreement.

2. With respect to a contractor or subcontractor who is the successful bidder, but is not signatory to the applicable collective bargaining agreement, the collective bargaining agreement executed by said bidder shall be the relevant area agreement regulating the wages, hours and other terms and conditions of employment.
3. During the term of this Agreement, project contractors and/or subcontractors shall engage in no lockout at any of the project sites.
4. During the term of this Agreement, no labor organization signatory hereto, or any of its members, officers, stewards, agents, representatives or employees, shall instigate, authorize, support, sanction, maintain, or participate in any strike, walkout, work stoppage, work slowdown, work curtailment, cessation or interruption of production, or in any picketing of any project sites for any reason whatsoever, including, but not limited to, a dispute between the Board, or any contractor or subcontractor, and any union or any employee, or by and between any unions, or in sympathy with any union or employee or with any other individual or group, or in protest of any project of \$10,000.00 or under.
5. Each union signatory hereto agrees that it will use its best efforts to prevent any of the acts forbidden in Paragraph 4, and that, in the event any such act takes place or is engaged in by any employee or group of employees, each union signatory further agrees that it will use its best efforts (including its full disciplinary power under its applicable Constitution and By-Laws) to cause an immediate cessation thereof.
6. Any contractor signatory hereto shall have the right to discharge or discipline any employee who violates the provision of this Agreement. Such discharge or discipline by a contractor or subcontractor shall be subject to the grievance arbitration procedure of the applicable collective bargaining agreement only as to the fact of such employee's violation of this Agreement. If such fact is established, the penalty imposed shall not be subject to review and shall not be disturbed.
7. The parties expressly authorize a court of competent jurisdiction to order appropriate injunctive relief to restrain any violation of this Agreement, any form of self-help remedy is expressly forbidden. Nothing in the foregoing shall restrict any party to otherwise judicially enforce any provision of its collective bargaining agreement between any labor organization and a contractor with whom it has a collective bargaining relationship.

8. This Agreement shall expire on June 30, 2015 unless either party gives written notice to the other no earlier than February 1, 2010 and no later than March 1, 2010 to terminate this Agreement effective June 30, 2010. If such notice to terminate is given or, if not, upon expiration on June 30, 2015, the Agreement shall extend until the completion of any work initiated pursuant to the Agreement prior to termination or expiration.
- 9.a.) In the event a dispute shall arise between any contractor or subcontractor of the project and any signatory labor organization and/or fringe benefit fund established under the appropriate collective bargaining agreement as to the obligation and/or payment of fringe benefits provided under the collective bargaining agreement, upon proper notice to the contractors and/or subcontractors by the appropriate labor organization or appropriate fringe benefit fund and to the Board, an amount sufficient to satisfy the amount claimed shall be withheld from the contractor's or subcontractor's regularly scheduled periodic payment from the Board or its agents until such time as said claim is resolved.
- b.) In the event any other contract dispute (excluding a dispute covered by paragraph 10 of this Agreement) shall arise between any contractor or subcontractor of the project and any signatory labor organization relating to a contract and/or project covered by the provisions of Paragraph 1 above and said dispute is resolved by the grievance arbitration procedure of the applicable collective bargaining agreement, any failure of a party to fully comply with such a final resolution shall result in the removal of the non-complying party from the Board project and property upon proper notice to the contractor and/or subcontractor.
10. In addition to the obligations set forth in this Agreement, in the event a jurisdictional dispute by and between any of the unions, such unions shall take all steps necessary to promptly resolve the dispute. In the event of a dispute relating to the trade or work jurisdiction, all parties, including the employer (contractors or subcontractors), agree that a final and binding resolution of the dispute shall be achieved, as follows:
  - a.) Representatives of the affected trades shall meet on the job site within forty-eight (48) hours after receiving notice in an effort to resolve this dispute. (In the event there is a dispute between affiliates of the same International, the decision of the General President or his/her designee, as the internal jurisdictional dispute authority of that International, shall constitute a final and binding decision.) Any agreement reached at this step shall be final and binding upon all parties.

- b.) If no settlement is reached during the proceedings contemplated in Paragraph 10(a) above, the matter shall be immediately referred to the leadership of the Chicago & Cook County Building & Construction Trades Council, according to the historic practice, for a meeting between the parties. Any agreement reached at this step shall be final and binding upon all parties.
- c.) If no settlement is reached subsequent to the actions contemplated in Paragraph 10(b) above, the matter shall be referred to the Joint Conference Board established by the Standard Agreement between the Construction Employers' Association and the Chicago & Cook County Building & Construction Trades Council for final and binding resolution of said dispute. A copy of the Standard Agreement is attached hereto and made a part hereof as Appendix "B".

It is explicitly agreed to by all parties that the parties to this Agreement, as well as each contractor and subcontractor performing work on or for the project, specifically are bound and stipulated to the jurisdiction and process of the Joint Conference Board. Said provision shall become a provision in all contracts and subcontracts issued by the owner, construction manager, contractor, subcontractor, or any agent thereof.

- 11. This Agreement shall be incorporated into and become part of the collective bargaining agreements between unions signatory hereto and contractors and subcontractors. In the event of any inconsistency between this Agreement and any collective bargaining agreement attached hereto, the terms of this Agreement shall supersede and prevail.
- 12. This Agreement constitutes the entire agreement between the parties hereto and may not be modified or changed except by the subsequent written agreement of the parties. Each party warrants and represents that they have the full legal authority and capacity to enter into this Agreement.
- 13.a.) The parties agree that in the implementation and administration of this Agreement it is vitally necessary to maintain effective and immediate communication so as to minimize the potential of disputes arising out of this Agreement. To that end, each party hereto agrees to designate, in writing, a representative to whom can be directed problems which may arise during the term of this Agreement. Within forty-eight (48) hours after notice of the existence of any problem, representatives of each party shall meet to discuss and, where possible, resolve such problems. The Board hereby designates the Chief Executive Officer or his designee; the unions hereby designate the President of the Council or his designee.

- b.) The Board and the Council shall establish a subcommittee composed of no more than six (6) people with an equal number of representatives chosen by each side to examine contracting situations. The subcommittee shall meet monthly or upon request and shall have access to and examine those contracts and subcontracts involving work within the trade jurisdiction of the union currently in progress or planned. The Council shall receive written notification of all invitations to bid or requests for proposal (RFP) at the same time as the invitation for bid or RFP is conveyed to potential contractors. Upon request, the Board or its contractor or construction manager will disclose to the union all information made available to the bidders or potential bidders to the public and to any potential contractor. In the event the Board or any contractor determines to utilize a procedure not involving a public solicitation (for example, in cases of emergency or pilot project), the Board shall notify the union(s) if known by the Board and the subcommittee.
- 14. If any provision, section, subsection or other portion of this Agreement shall be determined by any court of competent jurisdiction to be invalid, illegal or unenforceable in whole or in part, and such determination shall become final, such provision or portion shall be deemed to be severed or limited, but only to the extent required to render the remaining provisions and portions of this Agreement enforceable. This Agreement, as thus amended, shall be enforced so as to give effect to the intention of the parties insofar as that is possible. In addition, the parties hereby expressly empower a court of competent jurisdiction to modify any term or provision of this Agreement to the extent necessary to comply with existing law and to enforce this Agreement as modified.
- 15. In the event the Board enters into an agreement or undertaking with any other governmental agency for the construction-related activities contemplated under this Agreement, the terms and provisions of this Agreement shall apply to all such projects irrespective of the agency awarding the contract or supervising the work thereunder.
