- 1) TERM. The term of this Agreement shall commence on the Commencement Date and terminate on the Termination Date, unless this Agreement is terminated earlier as hereinafter set forth.
- 2) COMPENSATION. Licensee shall pay to Licensor the Compensation Amount set forth in the attached riders of this Agreement on the first day of every month. Licensee shall pay one-half of the cost of snow removal charges within 30 days of being billed for such charges by Licensor. (For budgeting purposes, the Licensee estimates that their portion of snow removal costs for site shall be approximately \$3,500.00 per site.) All vehicles not displaying such a permit are subject to towing by Licensor, without notice to Licensee and at Licensee's expense. Licensee shall provide the Pastor of the parish with a list of the license plate numbers of authorized vehicles.

- 4) TIME OF USE. Licensee shall use the Facilities only on the days, and during the hours, expressly set forth, unless Licensee has first obtained, in each instance, the written consent of Licenssor or such person or persons as Licenssor may designate in writing.
- 5) COVENANTS REGARDING USE. Licensee agrees, for itself and its contractors, agents, employees, guests and invitees, to comply with all reasonable rules and regulations that Licenssor may from time to time make concerning the use and occupancy of the Facilities and to observe the following covenants.
  - a) Licensee shall have, at all times during the term of this Agreement, a non-exclusive right of ingress and egress to and from the Facilities, through, over and upon such areas of the parish complex as may be designated, from time to time, in writing, by Licenssor (the "Access Area"). Licensee, and its agents, employees or invitees shall not enter areas of the parish buildings or parish complex other than the Facilities and the Access Area without, in each instance, first obtaining the prior written consent of Licenssor or such person or persons as Licenssor may designate in writing. Licensee shall take all such reasonable measures necessary to prevent any of its contractors, agents, employees, guests or invitees from entering areas of the parish buildings or parish complex other than the Facilities and the Access Area.
  - b) Licensee shall comply with all applicable laws, ordinances and governmental regulations, and shall not make any use of the Facilities which, directly or indirectly, is forbidden by public law, ordinance or governmental regulation, or which may be dangerous to life, limb or property, or which may invalidate or increase the premium cost of any insurance policy carried on the Facilities, building or building complex.
- 6) CHANGES AND ALTERATIONS. Licensee shall make no changes or alterations to the Facilities without first obtaining written permission from Licenssor.
- 7) LICENSEE'S OBLIGATION TO INSURE. During the term of this Agreement, Licensee, at its sole cost and expense, and for the mutual benefit of Licenssor and Licensee, shall carry and maintain the following types of insurance in forms and with companies reasonably satisfactory to Licenssor or through its self-insurance coverage, in the amounts specified:
  - a) Comprehensive general liability and property liability insurance, including fire legal liability coverage, insuring against all liability of Licensee arising out of or occurring in connection with Licensee's use of the Facilities, with a minimum combined single limit of \$1,000,000 (one million dollars) and excess umbrella insurance with a minimum combined single limit of \$2,000,000 (two million dollars). Such policies shall name the Catholic Bishop of Chicago and the parish as additional insured parties and shall provide that it is primary to, and not contributing with, any policy carried by Lessor covering the same loss.
  - b) Workers compensation insurance covering all of Licensee's employees in accordance with applicable state laws and regulations;

- c) All policies of insurance shall provide by endorsement that no coverage may be canceled or terminated by the insuring company without the insuring company having first given at least fifteen (15) days prior written notice to Licensor. Licensee shall deposit all such policies or certified copies thereof with Licensor.
- 8) RIGHTS RESERVED TO LICENSOR. Licensor shall have the following rights, exercisable without notice and without liability to Licensee for damage or injury to property, person or business (all claims for damage being hereby released) and without effecting a disturbance of Licensee's use of the Facilities:
  - a) To designate the location of the Access Area referred to in Paragraph 5 above and to change the location of the Access Area from time to time;
  - b) To take any and all measures, including without limitation inspections, repairs, alterations, additions and improvements to the Facilities as may be necessary or desirable for the safety, protection or preservation of the Facilities or the parish complex of which the Facilities are a part.
- 9) CONDITION ON POSSESSION, REPAIRS AND MAINTENANCE. Licensee has examined and knows the condition of the Facilities and has received the same in good order and repair except as herein otherwise specified. No representations as to the condition or repair thereof have been made by Licensor or its agents prior to or at the execution of this Agreement that are not herein expressed or endorsed.
- 10) ASSIGNMENT. The License granted to Licensee under this Agreement shall constitute a personal right and privilege of Licensee, and Licensee shall not assign this Agreement or any right or privilege of Licensee under it, or permit the use of the Facilities or any part thereof by any one other than Licensee and Licensee's employees.
- 11) WAIVERS OF CLAIMS AND OF SUBROGATION. Licensee releases Licensor and its agents and employees from liability, and waives any and all claims for damage to person or property sustained by Licensee and its agents and employees not caused by the willful misconduct or negligence of Licensor, its agents or employees.
  - a) If any damage to the Facilities, any appurtenance thereto or any part thereof, or to Licensor results from any act, omission or neglect of Licensee, Licensee shall repair such damage and, upon demand by Licensor, reimburse Licensor forthwith for the total cost of such repairs in excess of the amount, if any, paid to Licensor under any insurance or self-insurance covering such damage.
  - b) All property situated in the Facilities and belonging to Licensee, its agents, employees or invitees, or any occupant of the Facilities shall be there at the risk of Licensee or such other person only, and Licensor shall not be liable for damage thereto or theft, misappropriation or loss thereof.

c) Licensee agrees to hold Licensor, its contractors, agents, and employees harmless and indemnified against all claims and costs (including, but not limited to, reasonable attorneys' fees and costs) for injuries to any persons and for the damage, theft, misappropriation or loss of any property occurring in or about the Facilities, and due to any act, omission, negligence or default under this Agreement by Licensee, its agents, employees or invitees.

14) RETURN OF POSSESSION. Upon termination of this Agreement, whether by lapse of time or otherwise, Licensee shall yield up immediate possession of the Facilities. The mere retention of possession shall constitute a forcible detainer.

15) LICENSOR'S RIGHTS AND REMEDIES. If Licensee is in default in the payment of the Compensation or in the payment of any other sum required to be paid by Licensee under the terms of this Agreement and such default shall continue for ten (10) days after written notice to Licensee, or if Licensee is in default in the observance or performance of any of the other covenants or conditions of this Agreement which Licensee is required to observe and perform and shall continue for thirty (30) days after written notice to Licensee, unless such default cannot be cured within said thirty (30) days with Licensee using commercially reasonable efforts to so cure and with Licensee having had timely commenced to cure and diligently prosecuting said cure to completion, then such longer period as may be required, or if a default involves a hazardous condition and is not cured by Licensee immediately upon written notice to Licensee, then Licensor may treat any of the foregoing events as a breach of this Agreement and thereupon, at its option, may terminate this Agreement and the term created hereby and Licensor may reposes the Facilities in accordance with Section 14 above.
