THIS LEASE AGREEMENT ("Lease") is effective as of July 1, 2013 (the "Effective Date"), and is entered into by and between the **BOARD OF EDUCATION OF THE CITY OF CHICAGO**, a body politic and corporate ("**Landlord**" or the "Board") and **North Lawndale College Preparatory Charter High School**, an Illinois not for profit corporation ("**Tenant**", and together with Landlord, the "**Parties**").

RECITALS:

A. Landlord owns or controls Collins High School, located at 1313 South Sacramento Drive, Chicago, Illinois (the "**School**"). Landlord and Tenant acknowledge that an entity other than Board (such as the Public Building Commission of Chicago ["**PBC**"] or the City of Chicago ["**City**"]) may hold the legal title of record to the Premises (hereinafter defined) in trust or otherwise for Board's use. References hereinafter to "**Titleholder**" refer to such entities, and the language "Titleholder, if applicable" applies where such an entity is such a titleholder.

B. Tenant occupies a portion of the School pursuant to a lease agreement with Landlord for a charter school campus and related educational and community educational programs, and for no other purposes.

C. The School is a "**Shared Facility**," defined as a Board-owned or controlled building that houses more than one school, each of which is autonomous and has its own school leaders, governing body, and Chicago Public Schools ("**CPS**") identification number. Tenant currently occupies the School with Collins High School, a CPS school ("**Co-Occupant**"). Tenant and Co-Occupant are hereinafter collectively referred to as the "**Co-Occupants**."

D. A Memorandum Of Understanding ("**MOU**") has been entered into between Tenant and Co-Occupant. The MOU defines, among other matters, the portions of the School that are exclusively occupied respectively by each of Tenant and Co-Occupant, and the portions that are shared or otherwise designated as common areas (the "**Shared Space**"). The portion of the School exclusively occupied by Tenant, together with Tenant's portion of the Shared Space, constitutes the "**Premises**" hereunder and is delineated on Exhibit A attached hereto. The MOU is attached hereto as Exhibit B.

E. Landlord and Tenant agree to renew the lease agreement for the Premises pursuant to the terms and conditions as hereinafter provided. This renewal Lease Agreement ("**Lease**") shall supersede any prior lease agreements between Landlord and Tenant for the Premises.

NOW THEREFORE, in consideration of the foregoing Recitals, which are incorporated herein as though set forth in full and for other good and valuable consideration in hand paid, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

This Lease Agreement will be posted on the CPS Internet website

1. **CHARTER SCHOOL AGREEMENT.** The Parties entered into a separate Charter School Agreement pursuant to which Tenant was granted a charter for the purpose of operating a charter campus ("**Charter School Agreement**"). The Charter School Agreement is, by this reference, incorporated in this Lease and made a part hereof as if stated in its entirety.

2. **USE/GRANT/TERM.** Landlord hereby leases the Premises to Tenant, upon the terms and conditions stated in this Lease, for a term commencing on the Effective Date and ending on June 30, 2018, or such earlier date as provided for in this Lease ("**Term**"). Notwithstanding the foregoing, if the charter under Tenant's Charter School Agreement is terminated or not renewed for any reason, or if Tenant otherwise ceases to operate the Premises for the Use (hereinafter defined), this Lease shall automatically terminate on the first to occur of: (i) the last day of the Term; (ii) the date the Charter School Agreement is terminated or not renewed; or (iii) the date Tenant ceases to operate the Premises for the Use in accordance with the terms of this Lease.

The Premises may be used by Tenant solely as a charter school campus and for related educational and community educational programs and for no other purposes whatsoever without the prior specific written consent of Landlord ("**Use**"). The Facilities Request Form shall be attached hereto as Exhibit C to this Lease and incorporated herein by reference. The Facilities Service Request Form shall be effective as of the date 10 days after submission of the Form to Landlord. If at any time during the Term or any renewal or extended term: A) Tenant becomes the sole occupant of the School, and the prior Co-Occupant was another charter school; or B) If Tenant's prior charter school Co-Occupant changes to another charter school; then upon becoming respectively, either the sole occupant of the School, or a Co-Occupant with a different charter school, Tenant may revise its prior elections on the Facilities Service Request Form. Annually or whenever the cost of Operating Services changes, Landlord shall provide Tenant with an updated list of Operating Services, together with the updated Operating Expenses for all Operating Services being provided to Tenant by Landlord, and such updated Operating Expenses shall be due and payable with the next deduction for Operating Services.

F. Return of Supplies and Equipment. In the event Landlord, in its sole discretion, allows Tenant to change its election from Landlord-provided Additional Operating Services to third party-provided Additional Operating Services, and/or elections for food service, Tenant shall, at the request of Landlord, and at Tenant's sole cost and expense, return and deliver to Landlord any and all supplies and equipment provided by Landlord for the purpose of providing the Additional Operating Services.

Landlord, in its sole discretion, reserves the right to reject or disapprove hiring of any third party engineering and custodial services firms by Tenant. If Landlord determines that the Standards have not been met by Tenant, Landlord shall have the right to send a notice declaring such failure to maintain the Standards as a default hereunder. Within ten (10) days of such notice, Landlord may begin providing that Operating Service at Tenant's cost and expense, as set forth in Paragraph 14C hereof.

H. Utility Service Interruption. Landlord shall not be liable to Tenant for damages or otherwise if water, gas, electric, or sewer service is interrupted or terminated because of necessary repairs, installations, improvements, or any cause beyond the control of Landlord. Tenant's taking possession of the Premises shall be deemed to be Tenant's acceptance of the Premises in the order and condition as then exists. No promise of Landlord or Titleholder, if applicable, to alter, remodel, decorate, clean or improve the Premises or the School, or any portion thereof, and no

representation respecting the condition of the Premises or the School, or any portion thereof, have been made by Landlord (or Titleholder, if applicable) to Tenant. Notwithstanding the foregoing, the Parties acknowledge and agree that Tenant shall not be given possession of the Premises prior to final execution of this Lease by both Parties. **Further, the Parties acknowledge and agree that pursuant to the terms of the Charter School Agreement, if Tenant obtains possession of the Premises prior to the date of final execution of this Lease, Landlord shall provide notice to Tenant of Tenant's failure to execute this Lease prior to obtaining such possession. Tenant hereby agrees that such notice shall allow and authorize Landlord to withhold Tenant's general education quarterly payments under the Charter School Agreement, until such time as this Lease has been fully executed by both Parties. Failure by Tenant to execute this Lease within sixty (60) days of its initial occupancy of the Premises shall constitute a default under this Lease.**

Prior to commencing any Approved Improvement, Tenant shall secure or cause its contractors and subcontractors to secure in their own names and at no cost to Landlord all necessary permits, licenses, and authorizations necessary in order to undertake the Approved Improvements. Upon Landlord's request, copies of such permits, licenses, and authorizations shall be provided by Tenant to Landlord. Each Approved Improvement shall be performed in a good and workmanlike manner, and in accordance with applicable governmental permits and consistent with the plans and specifications approved by Landlord. At Landlord's sole election and without cost to Landlord, upon 10 days' notice to Tenant prior to the end of the Term, all Approved Improvements shall become the property of Landlord at the end of the Term without further action on the part of Landlord or Tenant.

This Lease Agreement will be posted on the CPS Internet website

CHICAGO BOARD OF EDUCATION MULTI-PROJECT LABOR AGREEMENT

This Multi-Project Labor Agreement ("Agreement") is entered into by and between the Board of Education for the City of Chicago ("Board" or "Trustees"), an Illinois governmental entity, and each of the undersigned labor organizations signatory hereto.

Because of the scope, cost and duration of, and important public purpose to be served by the construction and/or modernization of schools and school-related facilities by or related to the Chicago Public Schools ("CPS"), the parties to this Agreement have determined that it is in the public interest to have certain projects completed in the most timely, productive, economical and orderly manner possible and without labor disputes or disruptions of any kind that might interfere with or delay the projects.

The parties have determined that it is desirable to eliminate the potential for friction and disruption of these projects by using their best efforts and ensuring that all work is performed by the trade unions that are signatory hereto and which have traditionally performed and have trade and geographic jurisdiction over such work. Experience has proven the value of such cooperation and that such mutual undertakings should be maintained and, if possible, strengthened and that the ultimate beneficiaries remain the taxpayers, schoolchildren and public.

To further these goals and to maintain a spirit of harmony, labor-management cooperation and stability, the parties agree as follows:

1. During the term of this Agreement, the Board shall not contract or subcontract, nor permit any other person, firm, company or entity to contract or subcontract, any construction, demolition, rehab or renovation of any Board property, at any of its sites or locations where work in furtherance of the projects is being undertaken, either by the Board, or its contractor or construction manager, as owner, coordinator, manager, contractor and/or purchaser relating to construction work covered by this Agreement or within the trade jurisdiction of the signatory unions, to be done at the site of construction, alteration, painting or repair of a building, structure or other work at the site or location covered by this Agreement and/or owned, leased, or in any manner controlled by the Board, unless such work is performed only by a person, firm or company signatory or willing to become signatory to an existing collective bargaining agreement with the union or with the appropriate trade/craft union or subordinate body of the Chicago & Cook County Building & Construction Trades Council or the AFL-CIO Building & Construction Trades Department. Copies of all such current collective bargaining agreements constitute Appendix "A" of this Agreement, attached hereto and made an integral part hereof and as may be modified from time to time during the term of this Agreement. Said provisions of this Agreement shall be included in all requests for bids and shall apply to all projects in

excess of \$10,000.00; provided however, that said project contracts shall not be "split" so as to avoid the applicability of this Agreement.

2. With respect to a contractor or subcontractor who is the successful bidder, but is not signatory to the applicable collective bargaining agreement, the collective bargaining agreement executed by said bidder shall be the relevant area agreement regulating the wages, hours and other terms and conditions of employment.
3. During the term of this Agreement, project contractors and/or subcontractors shall engage in no lockout at any of the project sites.
4. During the term of this Agreement, no labor organization signatory hereto, or any of its members, officers, stewards, agents, representatives or employees, shall instigate, authorize, support, sanction, maintain, or participate in any strike, walkout, work stoppage, work slowdown, work curtailment, cessation or interruption of production, or in any picketing of any project sites for any reason whatsoever, including, but not limited to, a dispute between the Board, or any contractor or subcontractor, and any union or any employee, or by and between any unions, or in sympathy with any union, or employee or with any other individual or group, or in protest of any project of \$10,000.00 or under.
5. Each union signatory hereto agrees that it will use its best efforts to prevent any of the acts forbidden in Paragraph 4, and that, in the event any such act takes place or is engaged in by any employee or group of employees, each union signatory further agrees that it will use its best efforts (including its full disciplinary power under its applicable Constitution and By-Laws) to cause an immediate cessation thereof.
6. Any contractor signatory hereto shall have the right to discharge or discipline any employee who violates the provision of this Agreement. Such discharge or discipline by a contractor or subcontractor shall be subject to the grievance arbitration procedure of the applicable collective bargaining agreement only as to the fact of such employee's violation of this Agreement. If such fact is established, the penalty imposed shall not be subject to review and shall not be disturbed.
7. The parties expressly authorize a court of competent jurisdiction to order appropriate injunctive relief to restrain any violation of this Agreement, any form of self-help remedy is expressly forbidden. Nothing in the foregoing shall restrict any party to otherwise judicially enforce any provision of its collective bargaining agreement between any labor organization and a contractor with whom it has a collective bargaining relationship.

8. This Agreement shall expire on June 30, 2015 unless either party gives written notice to the other no earlier than February 1, 2010 and no later than March 1, 2010 to terminate this Agreement effective June 30, 2010. If such notice to terminate is given or, if not, upon expiration on June 30, 2015, the Agreement shall extend until the completion of any work initiated pursuant to the Agreement prior to termination or expiration.

- 9.a.) In the event a dispute shall arise between any contractor or subcontractor of the project and any signatory labor organization and/or fringe benefit fund established under the appropriate collective bargaining agreement as to the obligation and/or payment of fringe benefits provided under the collective bargaining agreement, upon proper notice to the contractors and/or subcontractors by the appropriate labor organization or appropriate fringe benefit fund and to the Board, an amount sufficient to satisfy the amount claimed shall be withheld from the contractor's or subcontractor's regularly scheduled periodic payment from the Board or its agents until such time as said claim is resolved.

- b.) In the event any other contract dispute (excluding a dispute covered by paragraph 10 of this Agreement) shall arise between any contractor or subcontractor of the project and any signatory labor organization relating to a contract and/or project covered by the provisions of Paragraph 1 above and said dispute is resolved by the grievance arbitration procedure of the applicable collective bargaining agreement, any failure of a party to fully comply with such a final resolution shall result in the removal of the non-complying party from the Board project and property upon proper notice to the contractor and/or subcontractor.

10. In addition to the obligations set forth in this Agreement, in the event a jurisdictional dispute by and between any of the unions, such unions shall take all steps necessary to promptly resolve the dispute. In the event of a dispute relating to the trade or work jurisdiction, all parties, including the employer (contractors or subcontractors), agree that a final and binding resolution of the dispute shall be achieved, as follows:
 - a.) Representatives of the affected trades shall meet on the job site within forty-eight (48) hours after receiving notice in an effort to resolve this dispute. (In the event there is a dispute between affiliates of the same International, the decision of the General President or his/her designee, as the internal jurisdictional dispute authority of that International, shall constitute a final and binding decision.) Any agreement reached at this step shall be final and binding upon all parties.

- b.) If no settlement is reached during the proceedings contemplated in Paragraph 10(a) above, the matter shall be immediately referred to the leadership of the Chicago & Cook County Building & Construction Trades Council, according to the historic practice, for a meeting between the parties. Any agreement reached at this step shall be final and binding upon all parties.
- c.) If no settlement is reached subsequent to the actions contemplated in Paragraph 10(b) above, the matter shall be referred to the Joint Conference Board established by the Standard Agreement between the Construction Employers' Association and the Chicago & Cook County Building & Construction Trades Council for final and binding resolution of said dispute. A copy of the Standard Agreement is attached hereto and made a part hereof as Appendix "B".

It is explicitly agreed to by all parties that the parties to this Agreement, as well as each contractor and subcontractor performing work on or for the project, specifically are bound and stipulated to the jurisdiction and process of the Joint Conference Board. Said provision shall become a provision in all contracts and subcontracts issued by the owner, construction manager, contractor, subcontractor, or any agent thereof.

- 11. This Agreement shall be incorporated into and become part of the collective bargaining agreements between unions signatory hereto and contractors and subcontractors. In the event of any inconsistency between this Agreement and any collective bargaining agreement attached hereto, the terms of this Agreement shall supersede and prevail.
- 12. This Agreement constitutes the entire agreement between the parties hereto and may not be modified or changed except by the subsequent written agreement of the parties. Each party warrants and represents that they have the full legal authority and capacity to enter into this Agreement.
- 13.a.) The parties agree that in the implementation and administration of this Agreement it is vitally necessary to maintain effective and immediate communication so as to minimize the potential of disputes arising out of this Agreement. To that end, each party hereto agrees to designate, in writing, a representative to whom can be directed problems which may arise during the term of this Agreement. Within forty-eight (48) hours after notice of the existence of any problem, representatives of each party shall meet to discuss and, where possible, resolve such problems. The Board hereby designates the Chief Executive Officer or his designee; the unions hereby designate the President of the Council or his designee.

- b.) The Board and the Council shall establish a subcommittee composed of no more than six (6) people with an equal number of representatives chosen by each side to examine contracting situations. The subcommittee shall meet monthly or upon request and shall have access to and examine those contracts and subcontracts involving work within the trade jurisdiction of the union currently in progress or planned. The Council shall receive written notification of all invitations to bid or requests for proposal (RFP) at the same time as the invitation for bid or RFP is conveyed to potential contractors. Upon request, the Board or its contractor or construction manager will disclose to the union all information made available to the bidders or potential bidders to the public and to any potential contractor. In the event the Board or any contractor determines to utilize a procedure not involving a public solicitation (for example, in cases of emergency or pilot project), the Board shall notify the union(s) if known by the Board and the subcommittee.
14. If any provision, section, subsection or other portion of this Agreement shall be determined by any court of competent jurisdiction to be invalid, illegal or unenforceable in whole or in part, and such determination shall become final, such provision or portion shall be deemed to be severed or limited, but only to the extent required to render the remaining provisions and portions of this Agreement enforceable. This Agreement, as thus amended, shall be enforced so as to give effect to the intention of the parties insofar as that is possible. In addition, the parties hereby expressly empower a court of competent jurisdiction to modify any term or provision of this Agreement to the extent necessary to comply with existing law and to enforce this Agreement as modified.
15. In the event the Board enters into an agreement or undertaking with any other governmental agency for the construction-related activities contemplated under this Agreement, the terms and provisions of this Agreement shall apply to all such projects irrespective of the agency awarding the contract or supervising the work thereunder.

SUPPLEMENTAL AGREEMENT TO THE
PROJECT LABOR AGREEMENT
REGARDING EDUCATION TO CAREERS PROGRAMS
July 1, 2005

The Chicago Board of Education ("Board") and the signatory labor organizations ("Unions") to the Project Labor Agreement hereby agree, as follows:

1. Notwithstanding any existing agreement, the Board may use non-paid volunteers or parents and paid or unpaid students for in-school projects, specifically, projects such as the Student Business Enterprise, or any other similar education-related programs.

2. Each Union will establish a goal that at least 25% of its apprenticeships, interns or other construction-related work opportunities annually will be composed of persons who graduated from the Chicago Public Schools ("CPS.") In order to meet such goals, each and every Union will promptly examine its processes, including, but not limited to, its application and testing procedures and locations, in order to facilitate availability to apprenticeship programs by CPS graduates.

3. The Unions will cooperate with the Board's Department of Education to Careers ("ETC") with respect to establishing programs to facilitate participation in the Union's apprenticeship programs. Cooperation by the Unions includes the following:

- A. Provided the Unions are otherwise accepting applications, the Unions collectively will hold four Apprenticeship Application Seminars at which they will arrange for CPS students to fill out actual applications for Union apprenticeship programs. These Application Seminars will be held quarterly, starting in November and every three months thereafter: February, May and August. For those apprentice programs whose Department of Labor, Bureau of Apprenticeship standards only allow for application at a specific site then transportation will be provided to that site by the CPS on the day of the Apprentice Application seminar. The Unions will continue to inform ETC of testing dates and application acceptance periods.
- B. The Unions will establish a teacher in-service at which the various Unions will instruct CPS teachers on how students may be accepted into their various programs. Such programs will include industry updates and hands-on training. The Unions will host two construction teacher meetings per year.
- C. Each relevant trade will review curriculum and suggest improvements.

D. The Unions will facilitate students visiting the trade Unions and permit a demonstration at Apprenticeship Training Facilities for students.

E. Each Joint Apprenticeship Training Committee will report yearly to ETC the following:

- Total number of apprenticeship applications received
- Total number of CPS apprenticeship applications received
- Total number of individuals accepted into the apprenticeship program
- Total number of CPS graduates accepted over and under the age of 23 into the apprenticeship program
- Total number of graduates of the apprenticeship program
- Total number of CPS graduates of the apprenticeship program

F. The Unions will continue to speak at CPS schools; will host field trips; will work with CISCO to educate students about opportunities in the trades; and, will facilitate participation by the Apprenticeship Programs yearly in CISCO's Hands-On Fair for CPS.

G. The CBTC and CPS will work cooperatively through the ETC construction programs and ACE Tech to facilitate the above efforts and any others which will enhance the participation of CPS students in Building Trade Apprenticeship Programs, internships and other work opportunities.

4. In the event the Board initiates incentive efforts with Contractors to hire and retain CPS graduates in apprenticeship programs, ETC will so advise the Unions and the Unions will cooperate in such efforts.

5. The parties recognize that this Agreement is an integral part of their agreements regarding the PLA. The parties further agree that the initiatives described herein require the continued good faith efforts of both parties to bring these initiatives to fruition. The parties hereby commit themselves to such efforts.

The cost of the arbitrator shall be equally split between the Board and the participating Union.
