RECITALS:

- A. Landlord owns or controls **Hope College Preparatory High School** (the "**School**"), located at 5515 S. Lowe Avenue, Chicago, Illinois. Landlord and Tenant acknowledge that an entity other than Board (such as the Public Building Commission of Chicago ["**PBC**"] or the City of Chicago ["**City**"]) may hold the legal title of record to the Premises (hereinafter defined) in trust or otherwise for Board's use. References hereinafter to "**Titleholder**" refer to such entities.
- B. Tenant occupies a portion of the School pursuant to a lease agreement with Landlord for a charter school campus (KIPP Chicago Charter Schools – KIPP Bloom Campus) and related educational and community educational programs, and for no other purposes.

receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. **CHARTER SCHOOL AGREEMENT.** The Parties entered into a separate Charter School Agreement pursuant to which Tenant was granted a charter for the purpose of operating a charter campus ("**Charter School Agreement**"). The Charter School Agreement is, by this reference, incorporated in this Lease and made a part hereof as if stated in its entirety.
2. **USE/GRANT/TERM.** Landlord hereby leases the Premises to Tenant, upon the terms and conditions stated in this Lease, for a term commencing on the Effective Date and ending on June 30, 2024, or such earlier date as may be provided for in this Lease ("**Term**"). In particular and without limitation, notwithstanding the foregoing, if either of the events set forth in Subsection 14.A.(i) or (ii) occurs, this Lease shall automatically terminate as set forth in Subsection 14.A.; provided, however, nothing in this Section 2 or elsewhere in this Lease or otherwise shall in any way limit the survivability of any provisions herein or elsewhere in the Lease that pertain to survivability of certain covenants, obligations, representations and warranties post-termination or post-expiration of the Lease, and all covenants, obligations, representations and warranties contained herein and elsewhere in the Lease that expressly (or impliedly by their terms) or otherwise as a matter of law are to survive any termination or expiration of the Lease shall continue to survive.

Tenant is prohibited from using the Premises for any other commercial undertaking, revenue generating or other purpose whatsoever other than for the Use.

The School is a Shared Facility and will be shared with Co-Occupant, pursuant to the terms and conditions of the MOU. The MOU describes, among other matters, the shared usage procedures between Co-Occupants. The terms of the MOU are incorporated into this Lease by reference. The executed MOU shall be provided to Landlord's Office of Innovation and Incubation. The terms of this Lease shall prevail in the event of any inconsistency between the MOU and this Lease.

3. **LANDLORD RETENTION/RESERVATION OF RIGHTS.** This Lease does not grant any rights to light or air over or about the Premises and/or any buildings or other structures on the Premises. Landlord specifically excepts and reserves to itself the right to develop, license and otherwise use any areas outside the improved portion of the Premises, any land, roofs, the exterior portions of any building or other structure, all rights to the land and the area above and below the land, improvements below the improved floor level of any building or structure, the air rights above, around or about any building or structure and to such areas within any building or structure required for installation of utility lines and other installations required to serve any occupants of or others utilizing any building or other structures and to maintain and repair same (if required of Landlord), and no rights with respect thereto are conferred upon Tenant, except as specifically permitted by this Lease; provided however, that Landlord's access to make such, repairs, installations or other use of such areas shall not unreasonably adversely affect Tenant's use and occupancy of the Premises for Tenant's Use.

expense, obtain Additional Operating Services based on its selection of a provider and the type of occupancy Tenant holds under this Lease. Tenant's occupancy upon execution of this Lease is a Shared Occupancy. Depending on the type of Co-Occupant, Tenant shall have the elections regarding procurement of Additional Operating Services as set forth below and on the Facilities Service Request Form attached hereto as Exhibit C ("**Facilities Service Request Form**"). Tenant shall make such elections through the completion of a Facilities Service Request Form. The completed Facilities Service Request Form shall be executed by Tenant and shall be attached hereto as Exhibit C to this Lease and incorporated herein by reference. The Facilities Service Request Form shall be effective as of the Effective Date of this Lease. If Tenant fails to complete the Facilities Service Request Form by the Effective Date of this Lease, all services shall be deemed to be procured by Landlord and Landlord may complete the Form on behalf of Tenant and attach it as Exhibit C to this Lease.

- (i) **Shared Occupancy with a CPS school or contract school.** In the event Tenant shares the School, at any time during the Term or any subsequent renewal or extended term, with a CPS school or a contract school, Tenant's sole option (while sharing the School) shall be to procure all of its Operating Services (except as otherwise permitted on the blank form Exhibit C attached hereto - the "**Facilities Service Request Form**") from Landlord and will also be required to use Landlord's food service operations.
- (ii) **Shared Occupancy with another charter school.** In the event Tenant shares the School, at any time during the Term or any subsequent renewal or extended term, with another charter school(s), each such school shall elect one of the following options regarding Additional Operating Services: (1) to directly procure some or all Additional Operating Services from third parties, other than Landlord; or (2) to elect to procure some or all Additional Operating Services from Landlord at Landlord's then current rates and in accordance with Landlord's procedures. In addition, both or all such schools shall together elect one of the following options regarding food service: (1) to directly procure food services from third parties, other than Landlord; or (2) to elect to procure food service from Landlord. - (iii) **Sole Occupancy Or New Charter School Co-Occupant.** If at any time during the Term or any subsequent renewal or extended term, Tenant becomes the sole occupant of the School, and the prior Co-Occupant was a CPS school or a contract school, Tenant shall have the following options: (1) to directly procure some or all Additional Operating Services from third parties, other than Landlord; or (2) to elect to procure some or all Additional Operating Services from Landlord at Landlord's then-current rates and in accordance with Landlord's procedures, and (3) to directly procure food services or use Landlord's food service. Tenant shall make such elections through the completion of a revised Facilities Service Request Form, which Form shall be submitted to Landlord within thirty (30) days after Board approval of the change to sole occupancy status for Tenant at the

School. The revised Facilities Request Form shall be attached hereto as revised Exhibit C to this Lease and incorporated herein by reference. The revised Facilities Service Request Form shall be effective as of the next July 1st after such Board approval of the change to sole occupancy status for Tenant at the School. If Tenant fails to submit a revised Facilities Service Request Form within said thirty (30)-day period after such Board approval of the change to sole occupancy status, Tenant's prior elections under the Facilities Service Request Form originally submitted by Tenant shall remain in full force and effect and binding on Tenant.

If at any time during the Term or any subsequent renewal or extended term: A) Tenant becomes the sole occupant of the School, and the prior Co-Occupant was another charter school; or B) If Tenant's prior charter school Co-Occupant changes to another charter school; then upon becoming respectively, either the sole occupant of the School, or a Co-Occupant with a different charter school, Tenant may revise its prior elections on the Facilities Service Request Form. A revised Facilities Service Request Form shall be submitted to Landlord within thirty (30) days after Board approval of the change to either sole occupancy status or change to a different charter school co-occupant for Tenant at the School, as the case may be. The revised Facilities Request Form shall be attached hereto as revised Exhibit C to this Lease and incorporated herein by reference. The revised Facilities Service Request Form shall be effective as of the next July 1st after such Board approval of the change to either sole occupancy status or change to a different charter school co-occupant for Tenant at the School. If Tenant fails to submit a revised Facilities Service Request Form within said thirty (30)-day period after such Board approval of the change to either sole occupancy status or change to a different charter school co-occupant, Tenant's prior elections under the Facilities Service Request Form originally submitted by Tenant shall remain in full force and effect and binding on Tenant.

C. Changes to Additional Operating Services. Tenant shall be bound by its elections for Additional Operating Services for the entire Term or until the first to occur of (i) the date upon which Landlord changes or adds Required Operating Services and/or Additional Operating Services; (ii) the date upon which Landlord notifies Tenant of a change in the manner in which it calculates Operating Expenses; (iii) subject to the provisions of Subsection B, the date that Tenant's type of occupancy changes or Shared Occupancy tenant changes; or (iv) the date that Landlord, in its sole discretion, allows Tenant to complete a new Facilities Service Request Form to make changes to the Additional Operating Services, in which case such changes shall go into effect on the first of July following the completion of the new Facilities Service Request Form. Any requests by Tenant for changes to the Facilities Service Request Form should be submitted to the Landlord's Office of Innovation and Incubation. In the event that all Operating Services are not being impacted by a change, Landlord, in its discretion, may restrict Tenant to changing its election only for those Operating Services which are being impacted by a change.

D. Food Services. If Landlord provides food services, Landlord shall have the right, in its sole and exclusive discretion, to provide either warming kitchen facilities or full kitchen facilities to Tenant. Any food services operated by Tenant shall comply with applicable local and state

standards, as well as any standards established by Landlord consistent with the standards for the food services operated by Landlord.

E. Tenant Payments for Operating Expenses Provided by Landlord. Tenant shall reimburse Landlord for Operating Expenses at Landlord's then-current rates and costs and in accordance with Landlord's procedures for charges for charter schools in CPS owned or controlled facilities. For all Operating Services secured through Landlord as well as any other costs and expenses incurred by Landlord in connection with this Lease, Tenant hereby authorizes Landlord to deduct the Operating Expenses and such other amounts owed to Landlord from Tenant's general education quarterly payment under the Charter School Agreement. Annually or whenever the cost of Operating Services changes, Landlord shall provide Tenant with an updated list of Operating Services, together with the updated Operating Expenses for all Operating Services being provided to Tenant by Landlord, and such updated Operating Expenses shall be due and payable with the next deduction for Operating Services.

F. Return of Supplies and Equipment. In the event Landlord, in its sole discretion, allows Tenant to change its election from Landlord-provided Additional Operating Services to third party-provided Additional Operating Services, and/or elections for food service, Tenant shall, at the request of Landlord, and at Tenant's sole cost and expense, return and deliver to Landlord any and all supplies and equipment provided by Landlord for the purpose of providing the Additional Operating Services.

G. Facility and Maintenance Standards. Tenant agrees that, if it opts to procure any Additional Operating Services from a third party, Tenant is required to comply with the customary facility and maintenance standards of Landlord and as required by Subsections 9.C. and 9.K. hereof ("**Standards**"). Tenant must obtain written approval from Landlord prior to hiring third party engineering and custodial firms and confirm that any third party engineering and custodial firms it hires have proper licensing and staffing at all times. Landlord, in its sole discretion, reserves the right to reject or disapprove hiring of any third party engineering and custodial services firms by Tenant. If Landlord determines that the Standards have not been met by Tenant, Landlord shall have the right to send a notice declaring such failure to maintain the Standards as a default hereunder. Within ten (10) days of such notice, Landlord may begin providing that Operating Service at Tenant's cost and expense, as set forth in Subsection 14.C. hereof.

H. Utility Service Interruption. Landlord shall not be liable to Tenant for damages or otherwise if water, gas, electric, or sewer service is interrupted or terminated because of necessary repairs, installations, improvements, or any cause beyond the control of Landlord; provided that (i) Landlord shall use commercially reasonable efforts to schedule all such work to be performed during such times when school is not in session (except in the event of an emergency); (ii) Landlord shall use commercially reasonable efforts not to interfere with Tenant's Use of the Premises; and (iii) Solely to the extent permitted by law, Landlord may be liable for any loss or damage caused by the gross negligence or willful misconduct of Landlord or its employees, agents or contractors. Landlord agrees, except in the case of emergencies or a cause that is not within Landlord's control, to give Tenant at least ten (10) days advance written notice prior to such interruption or termination.

6. **DIFFERENT SCHOOL HOURS/CALENDARS.** Notwithstanding anything contained in this Lease to the contrary, the Parties agree that if Tenant's school year or school hours do not coincide with Landlord's regular school year and hours at any time during the Term, all additional costs incurred by Landlord for opening, or keeping open, the School during any such days or hours that the School would otherwise be closed, based on Landlord's calendar for that regular school year, shall be deducted from Tenant's general education quarterly payments under the Charter School Agreement. Such costs shall include, but not be limited to, Landlord's cost of additional expenses for engineers, janitors, and security staff.

7. **DELIVERY OF PREMISES.** Landlord shall deliver to Tenant possession of the Premises on the commencement date in an "AS-IS" and "WHERE-IS" condition. Tenant acknowledges that it has had the opportunity to inspect the Premises and the School. Neither Landlord nor Titleholder make any representations or warranties of any nature whatsoever as to the condition of the Premises or the School. Tenant's taking possession of the Premises shall be deemed to be Tenant's acceptance of the Premises and the School in the order and condition as then exists. No promise of Landlord or Titleholder to alter, remodel, decorate, clean or improve the Premises or the School, or any portion thereof, and no representation respecting the condition of the Premises or the School, or any portion thereof, have been made by Landlord or Titleholder to Tenant. Notwithstanding the foregoing, the Parties acknowledge and agree that, if Tenant is not already in possession of the Premises, Tenant shall not be given possession of the Premises prior to final execution of this Lease by both Parties. **Further, the Parties acknowledge and agree that pursuant to the terms of the Charter School Agreement, if Tenant obtains possession of the Premises prior to the date of Tenant's execution of this Lease, Landlord may provide notice to Tenant of Tenant's failure to execute this Lease prior to obtaining such possession. Tenant hereby agrees that such notice shall allow and authorize Landlord to withhold Tenant's general education quarterly payments under the Charter School Agreement, until such time as this Lease has been fully executed by Tenant. Subject to the provisions of Section 14.B. hereof, failure by Tenant to execute this Lease within sixty (60) days of its initial occupancy of the Premises shall constitute a default under this Lease.**

8. **MULTI-PROJECT LABOR AGREEMENT.** Landlord has entered into a multi-project labor agreement ("PLA") with various trades regarding construction projects awarded by Landlord. A copy of the PLA, together with a list of signatory unions, is available on Landlord's website at http://www.csc.cps.k12.il.us/purchasing/documents/MultiProject_Labor_Agreement.pdf, and by this reference, is incorporated herein. Tenant acknowledges familiarity with the requirements of the PLA, its applicability as set forth therein to any alteration, remodeling or other construction to be done on the Premises, and further agrees to, in accordance with Subsection 9.C. of this Lease, comply with the PLA (and any amendments, modifications, or successor agreements as may be provided to Tenant or posted from time to time on Landlord's website) in all respects including, without limitation, by ensuring its contractor is a member in good standing of a union signatory to the PLA as required therein.

- B. Obtain and Comply with Permits. Tenant shall apply for, secure, maintain and comply with all licenses or permits which may be required for the conduct by Tenant of the business herein permitted to be conducted in the Premises and to pay, if and when due, all license and permit fees and charges of a similar nature in connection therewith.
- C. Performance of Work; Improvements. Tenant shall perform all work in the Premises and School in a good and workmanlike manner, employing materials of good quality and in compliance with all governmental requirements. At Tenant's sole cost and expense, and solely with the prior written consent of Landlord, Tenant may make such alterations, additions, and improvements on the Premises as it shall deem necessary for its operation of the Premises within the scope of its Use ("Approved Improvements"). Any Approved Improvements shall be in full compliance with all applicable Laws and Rules (hereinafter defined). Tenant shall not commence any such work until Tenant has received written approval of its plans and specifications from Landlord (approval of which shall not be unreasonably withheld or delayed) and Landlord has been provided with insurance certificates evidencing that the contractors and subcontractors performing such work have, in full force and effect all insurance as required by Section 12 hereof. Prior to commencing any Approved Improvement, Tenant shall secure or cause its contractors and subcontractors to secure in their own names and at no cost to Landlord all necessary permits, licenses, and authorizations necessary in order to undertake the Approved Improvements. Upon Landlord's request, copies of such permits, licenses, and authorizations shall be provided by Tenant to Landlord. Each Approved Improvement shall be performed in a good and workmanlike manner, and in accordance with applicable governmental permits and consistent with the plans and specifications approved by Landlord. Unless otherwise agreed in writing executed by Tenant and the Board's Chief Operations Officer, all Approved Improvements shall remain on the Premises and become the property of Landlord at the end of the Term without further action on the part of Landlord or Tenant and without cost to Landlord, and title thereto shall then be deemed vested in Landlord.

- D. Landlord's Access. Tenant shall permit Landlord or Landlord's agents to enter the Premises for any of the following purposes: (i) inspection of the Premises; (ii) making repairs, additions or alterations to the Premises or to the School; (iii) showing the Premises to prospective purchasers, lenders, and during the last six (6) months of the Term, prospective tenants, and other persons having a legitimate interest in inspecting the same; and (iv) as otherwise permitted by this Lease; provided however that: (a) Landlord shall give Tenant written notice at least (2) business days prior to any such access, unless such access is needed for an emergency; (b) Landlord shall use commercially reasonable efforts to perform any work during such times when the school is not in session; and (c) Landlord shall not unreasonably disrupt or interfere with Tenant's use and occupancy of the Premises for the Use.

F. Assignment, Subletting and Use by Third Parties. Tenant shall not, without Landlord's prior written consent which, in each instance, may be withheld at the sole discretion of Landlord: (i) assign, transfer, hypothecate, mortgage, encumber, or convey this Lease or any interest under it, or subject or permit any lien or charge to exist upon this Lease or any interest under it; (ii) allow any transfer of, or any lien upon, Tenant's interest in this Lease by operation of law or otherwise; (iii) grant any other interest in the Premises to any third party; or (iv) sublet the Premises in whole or in part.

G. Liens or Encumbrances. From and after the Effective Date, Tenant shall not cause or permit any lien, interest or encumbrance ("Liens"), whether created by act of Tenant, operation of law or otherwise, to attach to or be placed upon Landlord's title or interest in the Premises. All Liens created by Tenant shall attach to Tenant's interest only. In case of any such Lien attaching, Tenant shall immediately pay and remove/eliminate such Lien or furnish security or indemnify Landlord in a manner satisfactory to Landlord, in its sole discretion, to protect Landlord against any defense or expense arising from such Lien. Except during any period in which Tenant appeals any judgment or obtains a rehearing of any such Lien, or in the event judgment is stayed, Tenant shall promptly pay any judgment rendered against Tenant, with all proper costs and charges, and shall have the Lien released and any judgment satisfied. If Tenant fails to pay and remove any Lien or contest such Lien in accordance herewith, Landlord, at its election, may pay and satisfy same, and such sums shall be deducted from Tenant's general education quarterly payments under the Charter School Agreement. Tenant may not record this Lease on the public records of any public office.

H. Signs. Tenant shall not affix, maintain or locate any signs, advertising placards, names, insignia, trademarks, descriptive material or any other such like item or items on the Premises or School except such as shall have first been approved in writing by Landlord.

J. Hazardous Materials. Tenant shall not, except for materials that are customarily used in school science laboratories, use, handle, generate, treat, store or dispose of, or permit the use, handling, generation, treatment, storage or disposal of any Hazardous Materials (hereinafter defined) in, on, under, around or above the Premises now or at any future time in violation of any Environmental Laws (hereinafter defined). Tenant will indemnify, defend and save Landlord harmless from and against any and all actions, proceedings, claims, costs, expenses and losses of any kind, including, but not limited to, those arising from injury to any person, including death, damage to or loss of use or value of real or personal property, and reasonable costs of investigation and cleanup or other environmental remedial work, which may arise in connection with the Tenant's use or storage of Hazardous Materials on the Premises and/or the presence of Hazardous Materials on the Premises, in violation of any Environmental Laws due to Tenant's act or omission during the Term hereof. Tenant's obligations and liabilities under this Section 9.J. shall survive the expiration or earlier termination of this Lease.

K. Maintenance and Repairs. Tenant shall, except for those items described in Section 5 which are the responsibility of Landlord, keep the Premises in good repair and in good condition, maintaining the Premises at all times in operating condition and in a manner reasonably and customarily appropriate for operation of a charter school at Tenant's sole cost and expense, by contractors or mechanics approved by Landlord and otherwise in compliance with the provisions of Subsection 9.C.. When used in this Lease, the term "repairs" shall include all replacements, renewals, alterations, additions and betterments. In the event Tenant opts out of Landlord's Operating Services and instead procures Operating Services from a third party, Tenant shall be responsible, at its sole cost and expense, to undertake all obligations of Landlord related to maintaining the Park in accordance with the terms of the relevant joint use or license agreement. In the event Tenant elects to have Landlord procure the Asset Management and Maintenance responsibilities of the Operating Services (as described herein in Section 5.A.(v)), the cost of such Operating Services that relate to the maintenance of the Park shall be an additional deduction from Tenant's general education quarterly payments under the Charter School Agreement (as described herein in Section 5.E.).

K. General. Any failure of Landlord to demand or receive proof of insurance coverage shall not constitute a waiver of Tenant's obligation to obtain the required insurance. The receipt of any certificate does not constitute an agreement by Landlord that the insurance requirements in this Lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements in this Lease.

Tenant's failure to carry or document required insurance shall constitute a breach of this Lease. Non-fulfillment of the insurance conditions may constitute a violation of this Lease, and Landlord retains the right to stop operations until proper evidence of insurance is provided, or Landlord shall have all of its rights and remedies under law and equity including, but not limited to, curing the default or electing to terminate this Lease by providing Tenant written notice as provided for herein.

This Lease Agreement Will Be Posted On The CPS Internet Website.

The coverages and limits furnished by Tenant in no way limit Tenant's liabilities and responsibilities specified within this Lease or by law. The required insurance is not limited by any limitations expressed in the indemnification language in this Lease, if any, or any limitation placed on any indemnity in this Lease that might be given as a matter of law.

Tenant agrees that insurers waive their rights of subrogation against Landlord (and PBC and City, as their interests may appear as Titleholder). Landlord waives its claims by Landlord against Tenant and rights to subrogation by Landlord's insurers, both solely with respect to any casualty loss not arising out of the negligent or willful acts or omissions of Tenant.

Upon Landlord request, Tenant and/or its contractors and subcontractors shall promptly provide a certified copy of any applicable policy of insurance. Landlord reserves the right to make reasonable modifications to insurance requirements at any time upon sixty (60) days notice to Tenant.

13. **TENANT WAIVER.** Other than (i) Claims for damages resulting from the grossly negligent acts or omissions or willful misconduct of Landlord or Titleholder which are permitted by applicable law and covered by insurance, and (ii) Claims for damages arising out of breach of Landlord's obligations under this Lease as set forth in Subsection 14.D hereof, Landlord and Titleholder and their mortgagees and their respective agents, board members, and employees shall not be liable for, and to the extent permissible by law, Tenant waives all claims for, damage to person or property sustained by Tenant or any person claiming by, through or under Tenant resulting from any accident or occurrence in or upon the Premises or any part thereto, including, but not limited to, claims for damage resulting from: (i) any equipment or appurtenances becoming out of repair; (ii) Landlord's or Titleholder's failure to keep the Premises in repair; (iii) injury done or occasioned by wind, water or other natural element; (iv) any defect in or failure of plumbing, heating or air conditioning equipment, electric wiring, gas, water, steam pipes, stairs, railings, elevators, escalators or walks (including, but not limited to, the installation of any of the foregoing); (v) broken glass; (vi) the backing up of any sewer pipe or downspout; (vii) the discharge from any automatic sprinkler system; (viii) the bursting, leaking or running of any tank, tub, washstand, water closet, waste pipe, drain or any other pipe or tank in, upon or about the Premises; (ix) the escape of steam or hot water; (x) water, snow or ice being upon or coming through the roof, skylight, trapdoor, stairs, walks or any other place upon or near the Premises or otherwise; (xi) the falling of any fixture, plaster or stucco; (xii) any act, omission or negligence of any other tenant, licensee or invitee or of any other persons or of other occupants of the Premises or of adjoining or contiguous buildings or of owners of adjacent or contiguous property; (xiii) subject to the provisions of Subsection 5.H. hereof, any interruption of utility or heat or air conditioning service; and (xiv) any temporary blockage of direct access of or visibility to, from or of the Premises.

To the extent permissible by law, Tenant waives any limits to the amount of its obligations to defend, indemnify, hold harmless, or contribute to any sums due under any losses, including any claim by any employee of Tenant that may be subject to the Workers Compensation Act, 820 ILCS 305/1 et seq. or any other related law or judicial decision (such as *Kotecki v. Cyclops Welding Corp.*, 146 Ill.2d 155 (1991)). Landlord, however, does not waive any limitations it may have on its liability under the Illinois

Workers Compensation Act, the Illinois Pension Code, or any other statute or judicial decision.

14. DEFAULT; LEASE TERMINATION.

A. Automatic Termination Of Lease. Tenant and Landlord agree that:

- (i) If Tenant's Charter School Agreement is terminated or non-renewed (or if its charter is revoked or non-renewed) for any reason, either in whole or in part with regard to the campus that operates on the Premises leased to Tenant hereunder; or
- (ii) If Tenant otherwise ceases to operate the Premises for the Use;

then notwithstanding anything to the contrary elsewhere in this Lease or otherwise, this Lease shall automatically terminate without further notice on the first to occur of: (i) The last day of the Term; (ii) The date the Charter School Agreement is so terminated or non-renewed (or the date its charter is so revoked or non-renewed); or (iii) The date Tenant ceases to operate the Premises for the Use in accordance with the terms of this Lease. The cure periods set forth in Subsection 14.B. do not apply to the events set forth in Subsections 14.A.(i) and (ii).

B. Tenant Default. Except as otherwise provided in this Lease, upon the occurrence of any Tenant default under this Lease, which Tenant fails to cure within thirty (30) calendar days after service of notice given in accordance with the terms of this Lease and specifying the default (or immediately, if the default creates an emergency situation) (or which, if such non-emergency default cannot be reasonably cured within thirty [30] calendar days after service of such notice, Tenant fails to commence and continue diligent efforts to cure in the sole opinion of Landlord), then Landlord shall have all of its rights and remedies at law and in equity, including without limitation any or all of the following:

- (i) The right to terminate this Lease, in whole or in part effective at a time specified by Landlord.
- (ii) The right to specific performance, an injunction or any other appropriate equitable remedy.
- (iii) The right to receive from Tenant any and all damages incurred as a result or in consequence of the default.
- (iv) The right to money damages.
- (v) The right, upon written notice to Tenant, to withhold all or part of Tenant's compensation under the Charter School Agreement.
- (vi) The right to cure the default in accordance with Subsection 14.C. hereof.

This Lease Agreement Will Be Posted On The CPS Internet Website.

- (vii) Tenant shall be fully responsible for any reasonable attorney's fees, costs and expenses incurred by Landlord and associated with this Lease.

If Landlord (in the sole discretion of Board's Chief Facilities Officer, or if none, its Chief Operations Officer) considers it to be in its best interest, it may elect not to declare Tenant in default or to terminate this Lease. The parties acknowledge that this provision is solely for the benefit of Landlord and that, if Landlord permits Tenant to continue to remain in the Premises despite one or more defaults, Tenant shall in no way be relieved of any responsibilities, duties or obligations under this Lease nor shall Landlord waive or relinquish any of its rights or remedies.

The remedies under the terms of this Lease are not intended to be exclusive of any other remedies provided, but each and every such remedy shall be cumulative and shall be in addition to any other remedies, existing now or hereafter, at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall be construed as a waiver of any default or acquiescence thereto, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

C. Landlord's Right to Cure Defaults. If Tenant fails to cure a default within the period specified in Subsection 14.B., Landlord may, but shall not be obligated to, at any time, without further notice, cure any default by Tenant under this Lease, and whenever Landlord so elects, all costs and expenses paid by Landlord in curing such default, including, without limitation, reasonable attorneys' fees and expenses, shall be payable by Tenant within ten (10) days of Tenant's receipt of an invoice detailing such costs and expenses. In the alternative, at Landlord's sole election, such costs and expenses may be deducted from Tenant's general education quarterly payment under the Charter School Agreement.

D. Landlord Default. If Tenant determines that Landlord has materially failed to provide the Additional Operating Services in accordance with its customary facility and maintenance standards and such failure materially impedes Tenant's Use of the Premises, Tenant shall have the right to send a written notice specifying such material failure and material impediment of Use in detail and declaring such material failure as a default hereunder. If 1) such default shall continue for ten (10) days after Tenant has notified Landlord by written notice of such default, or 2) in the case of a default which cannot be remedied within ten (10) days, and where Landlord shall have commenced and shall be diligently pursuing all necessary action to remedy such default, and such default shall continue for an additional thirty (30) days after such notice, then Tenant shall have all of its rights and remedies under law and equity including, but not limited to, curing the default at Tenant's sole cost and expense or electing to terminate this Lease by providing Landlord written notice as provided for herein.

E. Cessation Of Operating Services By Landlord. If Landlord ceases to provide any of the Operating Services to be provided by it hereunder for a period exceeding ten school days, Landlord's Operating Expenses deduction for the quarter in which the cessation occurred shall be reduced by the amount of the charge for the Operating Service that it failed to provide in said period.

15. **CASUALTY AND CONDEMNATION.**

This Lease Agreement Will Be Posted On The CPS Internet Website.

A. Casualty Loss. If the Premises are made untenantable by fire or other casualty not arising out of the negligent or willful acts or omissions of Tenant, Landlord or Tenant may elect to terminate this Lease as of the date of the fire or other casualty, by notice to the other party within ninety (90) days after the date of the fire or other casualty. If neither party so terminates, Landlord shall commence restoration of the Premises and shall use reasonable efforts to complete such restoration within one (1) year after the occurrence of such casualty loss.

B. Condemnation. If the Premises are made untenantable by a taking by any governmental entity pursuant to its power of eminent domain, Landlord or Tenant may elect to terminate this Lease as of the date of the issuance of the final determination of such taking. If there is any award or payment by the condemning governmental entity, Tenant shall not be entitled to any portion thereof; provided however, Tenant may pursue a separate claim for its relocation costs. Each Party agrees to promptly notify the other Party if it receives any notice of proposed taking by a governmental entity pursuant to eminent domain

16. INDEMNIFICATION. Tenant agrees to indemnify, defend and save Landlord (and PBC and City as Titleholder) and their mortgagees, agents, board members, officers and employees harmless from and against all liability, injury, loss, cost, damage and expense (including reasonable attorneys' fees and expenses) in respect of any injury to, or death of, any person, and from any damage to, or loss or destruction of any property while on the Premises or any portion thereof occasioned by any negligent or willful act or omission of Tenant, or anyone claiming by, through or under Tenant. The foregoing covenants shall survive the expiration or earlier termination of this Lease.

17. SECURITY. The party responsible for Security Personnel Services, under Section 5 above, agrees to establish and maintain security measures appropriate to reasonably protect the Premises, individuals properly present at the Premises and the personal property located thereon; and each party agrees to cooperate with the other in maintaining such security measures.

RECITALS

- A. Pursuant to Chicago Public Schools Shared Facility Policy 410.7, adopted February 23, 2005 (the "Policy"), the Board desires to create more small schools through the transformation of some existing school buildings and the limited construction of new buildings.
- B. To further the Policy, the need to house more than one school in a facility, and therefore, the need for a common vision and plan to be articulated, have arisen. The Board has created certain Shared Facilities (as hereinafter defined) in school buildings owned or controlled by the Board. The creation of such Shared Facilities shall not affect the Board's right and ability to promulgate and enforce rules established by the Board regarding the use of the Shared Facility (as hereinafter defined). A "Shared Facility" is a Board-owned or controlled building that houses more than one CPS school, each of which is autonomous and has its own school leader(s), governing body, and CPS identification number. A "Campus" is the physical building and adjoining or related grounds and facilities, including without limitation annexes, to be used as a Shared Facility. The Shared Facility which is the subject of this MOU is that certain school campus located at 5515 S. Lowe Avenue, Chicago, Illinois, portions of which are respectively leased to Co-Occupant(s) hereunder ("Shared Campus").
- C. In addition, the Policy requires, prior to the occupation of a Shared Facility, each School to enter into this MOU and a separate Sharing Agreement (hereinafter defined). The purpose of this MOU is to memorialize all mutually agreed-upon principles regarding the Shared Campus and to define the roles of the MOU Facilitator, Facility Manager, and Principal.
