- A.** Lessor has heretofore executed various agreements with governmental agencies, public utility companies, private corporations and individuals for the installation of pipelines, duct lines, sewers, cables, electric transmission lines and other surface and subsurface structures, constructions and improvements. Pursuant to those agreements, the various grantees have installed and are operating their respective surface and underground plant facilities which may lie within or otherwise affect the Demised Premises. Lessee shall, at its own initiative, inquire and satisfy itself as to the presence or absence of all such facilities on the Demised Premises, and waives all claims which it might otherwise have against Lessor on account of the presence of such facilities on the Demised Premises as same may affect Lessee's use and enjoyment of the Demised Premises.
- B.** Lessee expressly agrees that within an area delineated by a line parallel with and 250 feet distant from the top of the edge of the water of any waterway which traverses or is adjacent to the Demised Premises (Corporate Use Reserve Area) and all areas within the Demised Premises below the lowest elevation of development thereon as reflected in Lessee's approved development plans for the Demised Premises, Lessor and anyone acting under its authority shall have the right, without payment therefor, to construct, operate, maintain, repair, renew and relocate any and all pipe, sewer, structure, facility power, and communications lines and appurtenances upon, under and across the Demised Premises. All such work shall be performed in such a manner so as to cause the least amount of interference with Lessee's use of the Demised Premises.
- C.** Lessee expressly understands and agrees that Lessor may have installed various sewers, shafts, ducts, pipes, and other facilities upon, over or beneath the Demised Premises. Lessee covenants and agrees that at no time shall its use and occupancy of the Demised Premises damage or interfere with said facilities.
- D.** Lessor reserves unto itself a perpetual right, privilege, and authority to construct, maintain, operate, repair and reconstruct intercepting sewers (with its connecting sewers and appurtenances), and any other drains or structures constructed or

operated in the furtherance of Lessor's corporate purpose upon, under and through Corporate Use Reserve Area and below the lowest elevation of Lessee's approved development plan for the Demised Premises. Lessor shall also have the right, privilege and authority to enter upon and use such portions of said Demised Premises as may be necessary in the opinion of the Executive Director of Lessor, for the purpose of constructing, maintaining, operating, repairing and reconstructing intercepting sewers, connecting sewers, drains or other structures, appurtenances, parking areas and access drive which do not unreasonably interfere with Lessee's use of the Demised Premises.

It is expressly understood that no blockage or restriction of flow in the water will be tolerated at any time. No construction or improvements of any kind can project into the waterway during construction or after permanent repairs are completed.

It is further expressly understood and agreed by Lessee that no buildings, materials, or structures shall be placed or erected and no work of any character done on said Demised Premises so as to injure or damage in any way said intercepting sewer, connecting sewers, drains or other structures and appurtenances located at any time on the Demised Premises, or so as to interfere with the maintenance, operation or reasonable access thereto.

- E. It is expressly understood and agreed that Lessor shall not be liable to Lessee for any loss, cost or expense which Lessee shall sustain by reason of any damage at any time to its property caused by or growing out of the failure of the sewers, structures, or other equipment of Lessor located on the Demised Premises, or by any other work which Lessor may perform on the Demised Premises under the terms hereof, or adjacent to the Demised Premises.
- F. Lessee shall relocate or remove the improvements existing or constructed upon the Demised Premises, at no cost to the District in the following instances:
- (1) In the event that the Demised Premises are adjacent to any channel or waterway, and said channel or waterway is to be widened by the District or any other governmental agency; or
  - (2) In the event that any agency of government, having jurisdiction over said channel or waterway, requires the relocation or removal of said improvements; or

- (3) In the event that said relocation or removal is required for the corporate purposes of the District.**

**Such relocation or removal shall be commenced within ninety (90) days after notice thereof in writing is served upon Lessee and diligently prosecuted to the conclusion. In the event that the relocation or removal of said improvements requires the work to be competitively bid, Licensee shall be granted an additional ninety (90) days to commence such relocation or removal.**

- G. If any time in the future, any portions of the Demised Premises are required for the construction of highways and roadways, or adjuncts thereto, such as interchanges, ramps and access roads, as determined by the Executive Director of Lessor, for the use of any other governmental agency engaged in the construction of highways and roadways, or adjuncts thereto, then in such event, it is understood and agreed by the parties hereto, that Lessee shall surrender possession of such part of the Demised Premises that may be so required. Lessee also agrees, at its own cost and expense, to remove all of its equipment, structures or other works from those portions of the Demised Premises so required, or reconstruct or relocate such of its installations so as to permit the use of the Demised Premises for the construction of highways and roadways or adjuncts thereto within sixty (60) days after notice shall have been given to Lessee by said Executive Director.**

Lessor reserves to itself or to its assignees or permittees at any time during the term of this Lease, upon thirty (30) days written notice given by Lessor to Lessee, the right to construct, reconstruct, maintain, and operate additional force mains, intercepting sewers, drains, outlets, pipe lines, pole lines, and appurtenances thereto; and such other structures, buildings, apparatus, and water control equipment as may be needed for the corporate purposes of Lessor upon, under, and across the Demised Premises. Any such construction shall be located as determined by the Executive Director of Lessor so as to cause, in his opinion, the least interference with any equipment, or improvements, that Lessee may then have on the Demised Premises.**
- I. Lessee agrees that if at any future date it desires to dispose of sewage, industrial wastes or other water-carried wastes from the Demised Premises, it will discharge the said sewage, industrial wastes or other water-carried wastes into an intercepting sewer owned by or tributary to the sewerage system of Lessor.
