

**RIGHT OF ENTRY AGREEMENT**  
Chicago High School for Agricultural Sciences  
**(Exterior Soil Boring)**

**This RIGHT OF ENTRY AGREEMENT** (this “Agreement”) is entered into as of October 14, 2024 (the “Effective Date”), by and between **G2 CONSULTING GROUP, LLC** with offices at 1186 Heather Drive, Lake Zurich, Illinois 60047 (“Grantee”), the **BOARD OF EDUCATION OF THE CITY OF CHICAGO**, an Illinois Municipal Corporation (“BOE”), whose offices are located at 42 W. Madison, Chicago, Illinois 60602.

**RECITALS**

**WHEREAS**, the BOE controls the real property formerly known as the Chicago High School for Agricultural Sciences located at 3857 W. 111<sup>th</sup> Street, Chicago, Illinois (the “Property”); and

**WHEREAS**, the Public Building Commission of Chicago (“PBC”) located in Room 200 of the Richard J. Daley Center, 50 W. Washington, Chicago, Illinois 60602 currently holds title to the Property for BOE; and

**WHEREAS**, the City of Chicago (the “City”) is interested in placing a 194-foot monopole tower on the Property and requires a soil boring to determine subsurface conditions at the proposed tower location; and

**WHEREAS**, Grantee has been retained to conduct the soil boring in the location depicted in the aerial drawing attached hereto as Exhibit A (“Work Area”); and

**WHEREAS**, Grantee has requested access to the Property solely for the purpose of conducting the soil boring (the “Work”), as further detailed on Exhibit B (Scope of Work) attached hereto; and

**WHEREAS**, BOE and the City’s Department of Assets and Information Services (“City”) have reviewed and approved the Work detailed on Exhibit B; and

**WHEREAS**, BOE agrees to grant such access to Grantee upon the terms and conditions set forth herein.

**NOW, THEREFORE**, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **Incorporation of Recitals.** The foregoing recitals constitute an integral part of this Agreement and are incorporated herein by this reference with the same force and effect as if set forth herein as agreements of the parties.

2. **Grant and Access.** Subject to the terms and conditions set forth herein, BOE hereby grants to Grantee a right of entry to the Property for the sole purpose of conducting the

**PROJECT: CHICAGO AG SCHOOL  
SOIL BORING – CITY MONOPOLE**

Work at the Property as described in the Scope of Work attached as Exhibit B hereto. No other work or testing is permitted without obtaining written permission from BOE and the City. The right of entry granted hereunder extends to, and Grantee shall be responsible for, its agents, employees, contractors, subcontractors and consultants (together, “Agents”). This right of entry is non-assignable. **Access by Licensee and its Agents is limited to non-school hours when no CPS students or minors are present.**

3. **Term.** The term of this Agreement shall commence upon the Effective Date and shall terminate upon the earlier of: (a) five (5) days after the date of this Agreement; or (b) the completion of the Work.

4. **Cost.** Grantee shall be responsible for all costs and expenses associated with the Work, including locating utilities on the site, characterization, disposal and transportation of all wastes and soils removed or sampled on the Property. BOE shall not be responsible for any costs or expenses relating to the Work. The Work shall be undertaken by Grantee without expectation of reimbursement or other credit from BOE.

5. **Permits.** Prior to entering onto the Property, Grantee agrees to secure, or cause its Agents to secure, at its sole cost and expense, all necessary permits and governmental approvals to perform the Work. Grantee and its Agents shall comply at all times with any and all applicable municipal, county, state and federal statutes, laws, ordinances, codes, rules and regulations (collectively, “Laws”).

6. **Indemnification.** Grantee shall indemnify, defend (through an attorney reasonably acceptable to BOE) and hold BOE, the PBC and the City their officers, agents, agencies, departments and employees (“Indemnitees”), harmless from and against any and all actions, claims, suits, losses, damages, liens, liabilities, fines, costs and expenses (including, without limitation, reasonable attorney's and expert fees and court costs) incurred by any Indemnitee in connection with, arising out of or incident to (a) any negligent or intentional act or omission of Grantee or its Agents, or (b) any death, bodily injury or property damage resulting from entry upon or use of the Property by or on behalf of Grantee in connection with the Work and this Agreement. The foregoing indemnity shall survive any termination of this Agreement.

7. **Insurance.** Grantee shall procure and maintain, or cause to be procured and maintained, at their sole cost and expense (or at the expense of its contractors, subcontractors, or consultants as applicable), the types and amounts of insurance set forth below with insurance companies authorized to do business in the State of Illinois, covering all work under this Agreement, whether performed by or on behalf of Grantee.

Each insurance policy shall provide that it will not be subject to material change, cancellation, or non-renewal without 30 days prior notice. Grantee and their Agents shall provide copies of such notices to BOE and the City if the insurer does not. When a policy is renewed or replaced, the policy retroactive date must coincide with, or precede, the start of any work under this Agreement. A claims-made policy that is not renewed or replaced must have an extended reporting period of two (2) years.

**PROJECT: CHICAGO AG SCHOOL  
SOIL BORING – CITY MONOPOLE**

BOE maintains the right to modify, delete, alter, or change these requirements by providing advance written notice to Grantee.

**Worker’s Compensation and Employer’s Liability Insurance.** Grantee and their contractors and subcontractors shall procure and maintain Worker’s Compensation Insurance, as prescribed by applicable law, covering all employees who are to provide a service under this Agreement, and Employer’s Liability Insurance with limits of not less than \$1,000,000 each accident or illness or the Illinois Statutory minimum whichever is greater.

**Commercial General Liability Insurance (Primary and Umbrella).** Grantee and their contractors and subcontractors shall procure and maintain Commercial General Liability Insurance, or equivalent, with limits of not less than **\$2,000,000** per occurrence and **\$5,000,000, in the aggregate,** for bodily injury, personal injury, and property damage liability; provided, however, subcontractors performing work in connection with this Agreement may maintain limits of \$1,000,000 if the subcontract amount is less than \$100,000. Coverages must include the following: All premises and operations, products/completed operations, separation of insureds, defense, and contractual liability. Grantee and their contractors can meet the required \$5,000,000 aggregate by combining their Primary and Umbrella insurance policies.

**Automobile Liability Insurance (Primary and Umbrella).** When any motor vehicles (owned, non-owned and hired) are used in connection with the Work, Grantee and their contractors and subcontractors shall procure and maintain Automobile Liability Insurance with limits of not less than **\$2,000,000** per occurrence for bodily injury and property damage; provided, however, subcontractors performing work or testing in connection with this Agreement may maintain limits of \$1,000,000 if the subcontract amount is less than \$100,000. When applicable, coverage extension must include MC-90 endorsement where required by the Motor Carrier Act of 1980 and pollution coverage for loading and unloading and transportation of hazardous waste and/or special materials.

**Professional Liability Insurance.** When any architects, engineers, construction managers, environmental or other professional consultants perform work in connection with this Agreement, such parties shall procure and maintain Professional Liability Insurance covering acts, errors, or omissions with limits of not less than **\$1,000,000,** including contractual liability. Coverage must include pollution liability if environmental, asbestos or lead paint testing will be performed by the professional consultant. Subcontractors performing professional services for less than \$100,000 may maintain limits of not less than \$1,000,000 under the same terms and conditions.

**Contractor’s Pollution Liability Insurance.** When any work or services to be performed under this Agreement may cause a pollution exposure, the service provider or contractor/subcontractor must provide Pollution Liability Insurance with limits of not less than **\$2,000,000** per occurrence covering bodily injury, property damage and other losses arising from the environmental or physical condition of the Property. Coverage must include, at a minimum, completed operations, contractual liability, defense, excavation, environmental cleanup, remediation, and disposal. When policies are renewed or replaced,

**PROJECT: CHICAGO AG SCHOOL  
SOIL BORING – CITY MONOPOLE**

the policy retroactive date must coincide with or precede start of work on this Agreement. A claims made policy which is not renewed or replaced must have an extended reporting period of two (2) years. The Board and the City of Chicago are to be named as an additional insured.

**Personal Property.** Grantee and their contractors and subcontractors shall be responsible for all loss or damage to personal property (including, without limitation, material, equipment, tools, and supplies), owned, rented, or used by Grantee or their contractors, subcontractors or consultants. BOE and the City shall not be responsible for any loss or damage to the Property or Grantee, their contractor's, subcontractor's, or consultant's personal property.

***Additional Insureds:*** The Chicago Board of Education, the PBC and the City of Chicago, their members, employees and agents, and any other entity designated by the Board, shall be named as Additional Insureds on a primary, non-contributory basis on all General Liability, Automobile Liability, Excess/Umbrella Liability and Contractors Pollution for any liability and property damage arising directly or indirectly from the Work and their acts or omissions. The insurers shall waive their rights of subrogation on said policies against the BOE, the PBC and the City, their employees, officials, agents, representatives, and designees.

The Certificates of Insurance must evidence coverage for the full term of this Right of Entry Agreement. When policies are renewed or replaced, the policy retroactive date must coincide with or precede, start of the work under this Agreement. A claims-made policy which is not renewed or replaced must have an extended reporting period of one (1) year. Copies of the Certificates of Insurance evidencing Additional Insured status must be sent to BOE and the City at least seven (7) days prior to Grantee entry on the Property. The Certificates shall be sent to BOE and the City at:

Chicago, IL 60604  
Attn: Risk Management

Grantee shall require all of its Agents entering on to the Property to maintain the above-described coverages, or Grantee may provide such coverages for their Agents. If Grantee or any contractor, subcontractor or consultant want additional coverage, such party shall be responsible for the acquisition and cost of such additional protection. Neither BOE, PBC or the City shall have responsibility to provide insurance or security for the Property, material, supplies, or equipment to be used by Grantee or any of their Agents in connection with the Work.

Grantee shall deliver or cause their Agents to deliver to BOE, PBC and the City the Certificates of Insurance required hereunder. The receipt of any certificate does not constitute agreement by BOE, PBC or the City that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all

**PROJECT: CHICAGO AG SCHOOL  
SOIL BORING – CITY MONOPOLE**

requirements set forth herein. Grantee (or their contractors, subcontractors, or consultants as applicable) failure or inability to obtain certificates or other evidence of insurance from Grantee shall not be deemed to be a waiver by BOE, PBC or the City of the insurance requirements set forth herein. Grantee shall advise all insurers of the insurance requirements set forth herein including waiver of subrogation. Non-conforming insurance shall not relieve Grantee (or their contractors, subcontractors, or consultants as applicable) of the obligation to provide insurance as specified herein. BOE, PBC and the City may terminate this Agreement for non-fulfillment of the insurance conditions and retains the right to stop work or access to the Property until proper evidence of insurance is provided. All contractors, subcontractors and consultants are subject to the same insurance requirements of Grantee unless otherwise specified in this Agreement. Grantee shall require their contractors, subcontractors, and consultants under this Contract to maintain comparable insurance naming BOE, PBC and the City inclusive of their members, employees and agents, and any other entity designated by the Board, as Additional Insureds. Grantee will maintain a file of their contractors, subcontractors, and consultant's insurance certificates evidencing compliance with these requirements.

Grantee (or their contractors, subcontractors, and consultants as applicable) shall be responsible for any and all deductibles or self-insured retentions. Grantee expressly understand and agree that any coverages and limits furnished by them (or their contractors, subcontractors or consultants as applicable) shall in no way limit Grantee's liabilities and responsibilities specified in this Agreement or by law. Grantee expressly understand and agree that their insurance (or that of their contractors, subcontractors, or consultants as applicable) are primary and any insurance or self-insurance programs maintained by the BOE, and the City shall not contribute with insurance provided by Grantee (or their contractors, subcontractors, or consultants as applicable) under this Agreement. Grantee, their contractor's, subcontractor's, and consultant's insurance is considered by the parties to this Agreement to be primary and collectible above all other coverage, including, but not limited to, BOE's, PBC's and the City's insurance and self-insurance. The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

8. **Inspection and Assessment.** Grantee agree to carefully inspect, or cause their agents, employees, contractors, subcontractors, and consultants to carefully inspect, the Property, prior to commencing any work or testing to ensure that it will not damage any surrounding property, structures, utility lines or subsurface lines or cables. Grantee and its Agents shall take all reasonable safety precautions to ensure that the work and testing will not pose a danger to the public or have a negative impact on the neighboring community, including, without limitation, adequately securing the Property throughout the term of this Agreement.

9. **Compliance with Laws/Site Condition and Safety.** Grantee and their Agents shall perform the Work in a good and workmanlike manner with due care and diligence, and in accordance with all applicable Laws. Grantee and their Agents shall keep the Property and any adjoining sidewalks and streets free of debris and materials and generally in a clean and safe condition throughout the term of this Agreement. Neither Grantee or their Agents shall conduct any activity on the Property that may violate any Laws, including, without limitation, any environmental, health, safety or sanitation laws and regulations.

**PROJECT: CHICAGO AG SCHOOL  
SOIL BORING – CITY MONOPOLE**

Grantee and their Agents shall limit their activities to those reasonably necessary to perform the Work. BOE reserves the right to have its representatives present during the Work throughout the term of this Agreement. Pursuant to Section 24 below, at least forty-eight (48) hours prior notice shall be given to Grantor for access to the Property.

10. **Underground Utilities.** Grantee agrees to perform and to cause their Agents to investigate and determine the location of utilities on the Property and in the adjacent public way through the Chicago Utility Alert Network (a.k.a. Digger). Grantee agree that they shall not excavate or test below grade until the utility locations have been completed and confirmed. Grantee shall use reasonable professional care and judgment to avoid any damage to utility lines, subsurface lines, cables, or fiber optic facilities on or servicing the Property and the adjoining right of way whether vacated or public.

11. **Obligation to Restore the Property.** Upon completion of the Work, Grantee shall promptly restore the Property to the condition or better existing as of the Effective Date, and shall remove all personal property, trash, wastes, and debris placed on the Property by Grantee or its agents. Grantee shall dispose of all trash, wastes and debris they place on the Property in accordance with all applicable Laws, including without limitation, all applicable Environmental Laws (as hereinafter defined). Any personal property, trash or debris left by Grantee on or about the Property shall be considered abandoned and may be disposed of in BOE's sole discretion. Grantee agree to pay for any reasonable removal or disposal costs the BOE may incur, provided that, Grantee fails to promptly remove or dispose of its personal property, trash, or debris in accordance with this Section 11. BOE shall be reimbursed for all reasonable costs it pays in connection with this Section 11, provided that Grantee have not promptly cured any failures under this Section 11. Such reimbursement shall occur within thirty (30) days after Grantee's receipt of BOE's invoice for such payment. Grantee shall be responsible for any damage to the Property or any surrounding property, structures, utility lines or subsurface lines or cables caused by the acts or omissions of Grantee or their agents, including but not limited to, vandalism or misuse of the Property, and shall undertake any repairs necessitated by such acts or omissions.

In addition, Grantee agrees that all boring holes will be backfilled with auger cuttings or equivalent and leveled after the testing has been completed.

12. **Hazardous Substances.** Grantee shall not use or store any Hazardous Substances (defined below) on the Property unless otherwise approved by BOE and the City. Grantee shall promptly notify Grantor and the City if Grantee discovers any Hazardous Substances on the Property. As used in this Agreement, the term "Hazardous Substances" shall mean any toxic substance, hazardous material, hazardous chemical or hazardous, toxic or dangerous waste defined or qualifying as such in (or for the purposes of) any Environmental Laws (as defined hereunder), or any pollutant, toxic vapor, or contaminant, and shall include, but not be limited to, polychlorinated biphenyls (PCBs), crude oil, any fraction thereof, or refined petroleum products such as oil, gasoline, or other petroleum-based fuels, lead paint, asbestos or asbestos-containing materials, urea formaldehyde, any radioactive material or by-product material, radon and mold. "Environmental Laws" shall mean any and all Laws, permits and other requirements or guidelines of governmental authorities applicable to the Property and relating to the regulation and protection of human health, safety, the environment, natural resources or to any Hazardous Substances,

**PROJECT: CHICAGO AG SCHOOL  
SOIL BORING – CITY MONOPOLE**

including without limitation, any Laws requiring the filing of reports and notices relating to Hazardous Substances.

13. **No Liens.** Grantee shall keep the Property free from liens and encumbrances arising out of any activities performed, materials furnished, or obligations incurred by or for Grantee.

14. **No Warranties.** BOE, PBC and the City make no warranties or representations as to the condition of the Property. Grantee and their Agents agree to enter onto the Property at their own risk.

15. **Applicable law; Jurisdiction.** This Agreement shall be governed by and construed in accordance with the laws of Illinois, without regard to principles of conflict of laws. Each party agrees that any action or proceeding with respect to this Agreement may only be brought in a federal or state court situated in the County of Cook in Illinois, and by execution and delivery of this Agreement, such party irrevocably consents to jurisdiction and venue in each such court.

16. **Right to Terminate.** Notwithstanding anything to the contrary contained herein, the BOE shall have the right to terminate this Agreement if Grantee fails to comply with the terms of this Agreement after written notice to Grantee. Upon such termination, Grantee shall immediately cease its activities on the Property and shall remove its personal property and equipment from the Property. The parties shall have the right to enforce this Agreement in Court and seek both monetary damages and specific performance, including attorneys' fees and court costs for the prevailing party.

17. **Independent Contractor.** Any contractor who performs work under this Agreement shall be a contractor to Grantee and not a contractor, employee, agent or partner of the BOE. Grantee acknowledges that the BOE has no obligation to fund Grantee for the activities permitted herein.

18. **License Only.** The rights granted herein shall be construed as a temporary license to enter upon the School Property to conduct the Work and not as a grant of an easement, permanent possession or any other interest in the School Property

19. **No Other Work or Testing.** This Agreement does not give Grantee any other rights or authorization with respect to the Property other than to perform the Work attached as Exhibit B. No other work is permitted or authorized.

20. **Written Notices.** Any written notice required or permitted to be given to either party shall be deemed to received by such party (a) three (3) days after the deposit in the United States registered or certified mail, return receipt requested, or (b) one (1) business day after deposit with a nationally recognized overnight delivery service for next day delivery, or (c) upon personal delivery to the party to whom addressed provided that a receipt of such delivery is obtained. A party may send confirmation notice by e-mail or by facsimile in addition to the required notice to be sent by registered or certified mail, overnight or personal delivery. Notices shall be sent to the parties at the following addresses. A change of address shall be sent in the manner above:

AEIRIAL OF WORK AREA AND BORING MAP

**EXHIBIT B**

**SCOPE OF WORK**

Soil Boring Operations

Scope of Work (SOW)

Chicago High School for Agricultural Sciences  
3857 West 111th Street  
Chicago, Illinois 60655

Project Description:

We understand a 194-foot high monopole tower will be constructed within the grounds of the Chicago High School for Agricultural Sciences. The soil boring is required to determine subsurface conditions at the proposed tower location. Information from the soil boring will be used to provide foundation design and construction recommendations.

Proposed SOW:

1. G2 Consulting Group, LLC (G2) will subcontract with a local driller to perform the soil boring. Our subcontract driller for the project is Groundbreaking Exploration, Inc. and the soil boring is tentatively scheduled to be performed on October 14, 2024. The proposed soil boring location is indicated on the attached sketch; however, the location may be adjusted in the field depending on the locations of any marked utility lines or access restrictions.
2. G2 will provide a minimum of 48 hours of notice ahead of any field and/or drilling operations.
3. Our subcontract driller will contact the 811 Chicago (Digger) public utility locate service a minimum of 48 hours prior to field operations.
4. A truck-mounted or all-terrain vehicle (ATV) mounted rotary drill rig will be utilized for the project. The soil boring will be advanced with hollow-stem augers to the proposed drilling depth of 60 feet below existing grade. We anticipate the borehole will be approximately 6 to 8 inches in diameter. Soil samples will be obtained by split-spoon at intervals of 2-1/2 feet in the upper 10 feet and at intervals of 5 feet thereafter. The borehole will be backfilled to grade using auger cuttings.
5. G2 anticipates the soil boring will be completed in approximately 4 hours.

**SITE INFORMATION**

Access Information: Not sure about access. Appears to be a fence around boring location. Need confirmation.  
Location is at a high school. Should be no students on Columbus Day.

Site: Location: Chicago High School for Agricultural Sciences  
3857 W 111th St Chicago, IL 60655

**DRILLER'S LOG Document the following on all boring logs:**

- Auger size and hollow stem or solid stem
- Truck type (ATV or truck mount)
- Depth of topsoil or pavement
- Blow Counts
- Backfill material
- Water levels during drilling and a minimum of 1/2 hour after completion
- Final boring location, if offsetting is necessary
- Depth of casing if wash rotary methods are used
- Photos showing location drilled relative to surrounding landmarks
- Date, Time start and finish

If poor soil conditions are encountered, G2 Project Manager should be notified to determine if borings should be extended.

**ROCK CORE INFORMATION**

If rock is encountered, G2 Project Manager should be notified to determine if coring is necessary. Our typical coring parameters are as follows:

Rock Depth	Core Run
0 to 10 feet	15 feet
10 to 20 feet	10 feet
20 to 35 feet	5 feet
